PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid contact with eyes, skin and clothing. Avoid breathing vapors or spray mist. Keep away from food, feedstuffs and domestic water supplies. Wash thoroughly after handling

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED do not induce vomiting. Call a physician immediately. Note to physician: Contains Petroleum Distillate. If Gastric Lavage is deemed necessary, under take only after proper placement of a cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

IF ON SKIN: wash immediately with soap and water. If irritation develops, get medical attention.

IF IN EYES: flush eyes with plenty of water. Call a physician immediately. Do not allow children or pets to contact treated surfaces until spray has dried. Do not spray air in rooms or use on plants. Apply as a surface spray only as specified on this label. Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated with this product.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish, birds and other wildlife. Do not apply directly to water. Drift and runoff from treated areas may be hazardous to aquatic organisms in adjacent aquatic sites. Cover or incorporate spills. Do not contaminate water by cleaning of equipment washwaters. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE: Do not smoke while using. Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food and feed by storage or disposal. Open dumping is prohibited. Pesticide spray mixture or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State or local procedures. Triple rinse (or equivalent). Then offer for recycling or reconditioning. Or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures. Consult federal, state or local disposal authorities for approved alternate procedures.

**PRO KILL
ROACH & ANT SPRAY**

PROVIDES FLUSHING ACTION & FAST KNOCKDOWN

Kills Cockroaches, Ants, Silverfish, Spiders, Crickets, Earwigs and Brown Dog Ticks. Use in and Around Homes, Apartments, Garages, Similar Residential Structures, Institutions, Restaurants and Food Processing Plants. Use Outdoors As An Aid in Reducing Annoyance from Flies and Mosquitoes entering the Home.

ACTIVE INGREDIENTS:

Pyrethrins	0.052%
*Piperonyl Butoxide, Technical	0.260%
Chlorpyrifos(0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl)phosphorothioate	0.500%
INERT INGREDIENTS:	99.188%
	100.000%

*Equivalent to 0.208% (butylcarbityl) (6-propyl-piperonyl) ether and 0.052% related compounds

EPA REGISTRATION NO. 9591-57
EPA ESTABLISHMENT NO. 9591-OH-1

CAUTION

KEEP OUT OF REACH OF CHILDREN.

See side panel for additional precautionary statements

ACCEPTED

FEB 12 1991

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 9591-57

NET CONTENTS _____ GALLONS

DIRECTIONS FOR HOUSEHOLD AND OUTDOOR USE IN NON-FOOD AREAS: Including garbage rooms, lavatories, floor drains (to sewers) entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning and bottling). Apply to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter. Repeat treatment as required.

To control cockroaches, ants, earwigs, water bugs, silverfish, spiders and crickets: apply in small amounts directly into cracks and crevices using equipment capable of delivering a pin stream of insecticide, in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases, in conduits, motor housings, junction or switch boxes. Prior to application de-energize electrical equipment. After application allow time for oil to evaporate before starting motors or placing switches in "ON" position. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

Brown Dog Ticks: Apply thoroughly as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these insects may be present. Fresh bedding should be placed in animal quarters following treatment. Do not spray pets with this product.

Flies and Mosquitoes: Use only on outdoor surfaces. Spray outside surfaces of windows and door frames and other areas where these pests may enter the home. Also spray dark corners and localized resting areas, such as under eaves, porches, partitions and in garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

Serving Areas: Facilities where foods are served such as dining rooms, but excluding areas where foods may be prepared or held, apply as a spot treatment to selective surfaces, such as baseboards, under elements or construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed) includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing) preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups) and serving areas (when food is exposed and facility is in operation).

WARRANTY STATEMENT Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the directions or established safe practice. The buyer must assume all responsibility, including injury or damage resulting from its misuse as such, or in combination with other materials.
