DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To operate: Hold container upright, nozzle away from you and spray infested surfaces only until wet.

Roaches, Ants, Silverfish, Spiders, Crickets: Spray ~~lightly~~ into all cracks, around base of wall and other places where these insects live. Also spray until wet, surfaces behind and beneath cabinets, refrigerator, sinks and toilets. Spray other localized areas infested with these pests. Repeat treatment as required. Do not spray on turf or house plants. Do not allow children to contact treated surfaces until surfaces are completely dry.

Brown Dog Ticks: Thoroughly spray infested areas around base of door, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Application should be repeated as infestations warrant and as reinfestation occurs. Brown dog ticks should be placed in suitable quarters following treatment. Do not treat animals with this formulation.

Fleas, Mosquitoes and Flying Moths: For best results only use in areas of reducing annoyance from these insects. Spray outside surfaces of doors, windows, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in yards and other places where these insects alight or congregate. Repeat treatment as necessary.

9591-104

Fleas, Ants, Brown Dog Ticks, Clover Mites, Earwigs, Crickets, Millipedes Outdoors: For treatment of localized infestations of these insects in outdoor areas or where these insects may enter the dwelling, spray infested areas thoroughly. For Ants, thoroughly wet hills and runways. For Fleas and Brown Dog Ticks, spray weeds and bushy non-crop vegetation. Repeat treatment as necessary. Do not spray desirable vegetation.

Wasps and Hornets, Outdoors: Apply after dark when all the insects have returned to the nest. Aim valve opening at nest. Hold at arms length and depress button, soaking the entire nest with spray. Repeat as necessary.

DISPOSAL

Wrap container and dispose of in trash. Do not incinerate.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes or clothing should be avoided. Do not use as a space spray.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially processed or prepared. Do not use in serving areas while food is exposed.

PHYSICAL & CHEMICAL HAZARDS

Flammable! Content under pressure. Keep away from heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 100°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
