- f. The statement "Recommended for Commercial and Industrial Use" should be revised to read as follows:

Recommended for Use by Commercial Applicators

This statement should be separate from the remaining text.

- g. Under "Serving Areas," delete the last two sentences. These sentences contradict the first sentence of the paragraph. Also, delete the fourth sentence in this paragraph and replace it with the following "Do not apply when facility is in operation or foods are exposed."
- h. Since this is an oil based product, delete the statement "Do not use this product in or on electrical equipment" This statement contradicts the statement beginning "May be used in conduits"

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
