	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT ProKill Pet Concentrate	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Nationwide Chemical Products, Inc.
 P.O. Box 13027
 Hamilton, OH 45013

161 / 264814
 18 / 1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 9591-146."
 - b. Update your container disposal statement to include containers above 1 gallon. The statement should read: "Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities." Should you decide to keep container sizes at or below 1 gallon, the above statement does not apply.
3. We have received the 30-day elevated temperature storage stability data. However, we need the 1-year study at room temperature immediately upon completion.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL <i>See P. 2</i>	DATE 7/12/90
--	-----------------

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NET CONTENTS

DIRECTIONS FOR

It is a violation of Federal law to use this product in a manner inconsistent with the label directions.

SHAKE WELL BEFORE USE

Dogs and Cats: Dilute at the rate of 3 ounces in 1 gallon of water. Apply to the entire animal, thoroughly wetting the fur, including the face, ears, and genitalia. Do not treat kittens or puppies less than four weeks old.

For rapid control of Ticks, Fleas and Lice with a mist spray: Dilute at the rate of 3 ounces in 1 gallon of water. To insure thorough coverage, part the fur by stroking with your fingers. Apply to the entire animal, including the face, ears, and genitalia. Spray ticks directly. Apply to moisten the fur lightly.

To Control Insects in Kennels and Animal quarters: Dilute at the rate of 3 ounces in 1 gallon of water. Remove pets before treating the area and ventilate thoroughly after treatment.

Do not use this product in or on electrical equipment due to the risk of fire.

For rapid cleanout of Fleas and Ticks in kennels, apply with a spray nozzle. Apply to the point of runoff, with special attention to hiding places. Bedding should be removed and sprayed thoroughly.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed with drift or spray.

PESTICIDE STORAGE: Do not store below 32°F. If frozen, thaw before use.

CONTAINER DISPOSAL: DO not reuse empty container. Wash thoroughly before recycling.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid contamination of feed, food and utensils by keeping them covered while spraying the area.

Remove pets, birds and cover fish aquaria before room application.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to lakes, streams, or rivers. Clean up spills immediately by cleaning of equipment or disposal of wastes. Apply this product in accordance with the label directions.

WARRANTY STATEMENT: Our recommendations for the use of this product are based on tests believed to be reliable. The use of this product being beyond our control, no warranty, expressed or implied, is made as to the effects of such use, except in accordance with directions or established safe practice. No liability is assumed for injury or damage, resulting from its misuse as shown on the label.
