

DIRECTIONS

"STAKILL" is an effective industrial herbicide designed to be applied with the very minimum of equipment and ease of application.

NON-CROP WEED CONTROL

"STAKILL" may be applied at any time of the year and is an effective industrial herbicide for the control of many annual and perennial grass and herbaceous weeds on non-cropland areas where bare ground is desired. The degree of control and duration of effect will vary with the amount of "STAKILL" applied, soil type, rainfall, and other conditions.

"STAKILL" may be applied any time of the year for non-cropland weed control provided adequate moisture is supplied by rainfall or artificial means. Best results are obtained if applied shortly before weed growth begins. If dense growth is present, remove tops of weeds and apply to ground.

GENERAL WEED CONTROL:

To control most weeds for an extended period of time on non-cropland such as UTILITY, HIGHWAY, PIPELINE and RAILROAD RIGHT OF WAYS, PETROLEUM TANK FARMS, LUMBERYARDS, STORAGE AREAS, INDUSTRIAL PLANT SITES, and AROUND FARM BUILDINGS apply 100-200 lbs. per acre for control of most annual weeds. Apply 200-300 lbs. per acre for control of both annual and perennial weeds, up to 400 lbs. per acre and repeat treatment may be required where a longer period of control is desired or when hard-to-kill, deep-rooted perennial weeds such as Johnson Grass are present.

FOR SMALL AREAS:

Apply 1 lb. per 100 sq. ft. or 10 lbs. per 1,000 sq. ft.

NOTICE TO BUYERS:

Seller makes no warranty of any kind, express or implied, concerning the use of this product. BUYER assumes all risk of use or handling whether in accordance with directions or not.

STAKILL

DIURON a

ACTIVE INGREDIENTS

DIURON (3-(3, 4-Dichlorophenyl) -1, 1-D
BROMACIL (3-Bromo-3-SEC-Butyl-G-Meth

INERT INGREDIENTS

GENERAL INFORMATION—STAKILL Weed Killer is to be applied to ground for control of weeds. Effects are slow to appear until the chemical has been carried into the root zone. It is non-corrosive to equipment, non-volatile, and non-flammable.

CAUTION! MAY IRRITATE EYES, NOSE, THROAT, AND SKIN.
Avoid breathing dust.
Avoid contact with skin, eyes or clothing.
Keep from children.

STAKILL

DIURON and BROMACIL WEED KILLER

HEAVY GRANULES

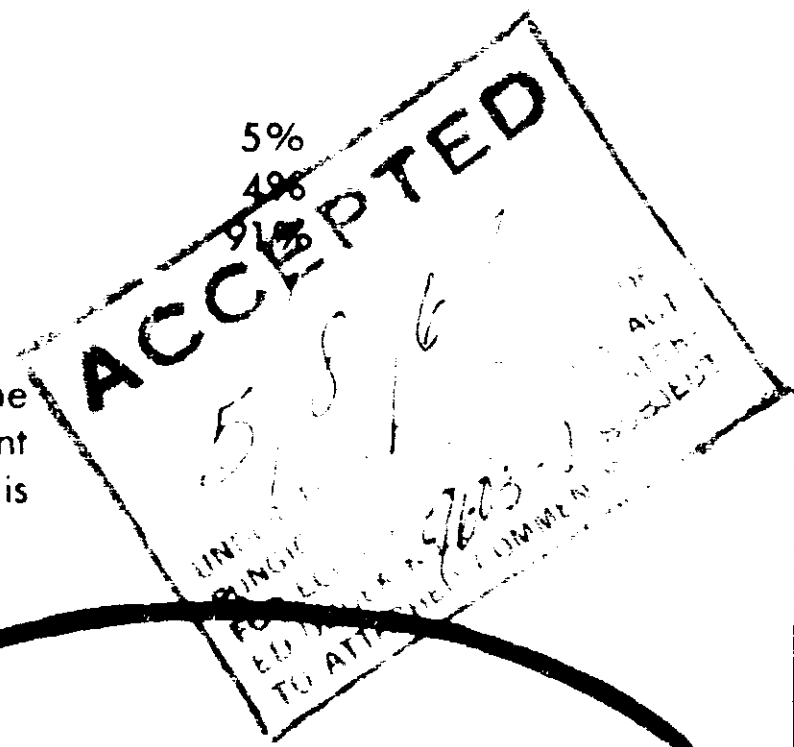

ACTIVE INGREDIENTS

DIURON 3-(3, 4-Dichlorophenyl) -1, 1-Dimethylurea/
BROMACIL (3-Bromo-3-SEC-Butyl-G-Methyluracil)

INERT INGREDIENTS

GENERAL INFORMATION—STAKILL Weed Killer is to be applied to the surface of the ground for control of weeds. Effects are slow to appear and will not become apparent until the chemical has been carried into the root zone of the weeds by moisture. It is non-corrosive to equipment, non-volatile, and non-flammable.

CAUTION! MAY IRRITATE EYES, NOSE, THROAT, AND SKIN.
Avoid breathing dust.
Avoid contact with skin, eyes and clothing.
Keep from children.
