NOTIFICATION
 NOV 29 2003

Explanation: Use additional page(s) if necessary. (For Section I and Section II.)

NOTIFICATION OF LABEL CHANGE RELATIVE TO PR NOTICE 2001-6

This notification is consistent with the guidance in PR Notice 2001-6 and the requirements of EPA's regulations at 40 CFR 156.10 and 40 CFR 152.6, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the guidance of PR Notice 2001-6 and the requirements of 40 CFR 156.10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be the subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Signature: Ana Rodriguez-Koster Date: 11/17/2003

Section - IV

1. Contact Point (Complete items directly below for identification of individual to be contacted, if necessary, to process this application)		
Name: Ana Rodriguez-Koster, Lewis and Harrison, LLC 122 C St., NW Suite 740 Washington, DC 20001	Title: Agent for Copper Brite, Inc.	Telephone No. (Include Area Code): (702) 393-3903 x. 17
Certification I certify that the statements I have made on this form and all attachments thereto are true, accurate and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law.		6. Date Application Received (Stamped)
2. Signature <u>Ana Rodriguez-Koster</u>	3. Title: Agent for Copper Brite, Inc.	
4. Typed Name Ana Rodriguez-Koster, Lewis & Harrison LLC	5. Date 11/17/2003	

Directions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control roaches (water bugs, palmetto bugs), ants and silverfish: Shake well before opening. Apply with teaspoon, liberally scattering under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs, into openings around drains, water pipes and electrical conduits, and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers, then scatter liberally in drawer wells. Reapply as necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuffs.

Directions for applying in new construction: When treating large areas, such as wall voids, soffit and subcabinet voids in new and existing construction, dust liberally using dusting application equipment. A bulbous battery filter (available at auto supply stores) works well as the powder can be sucked up and blown into the voids.

Crack and crevice treatment: Food and feed handling establishment - Places other than private residences in which food or feed is held, processed, prepared or served. **Food area application limited to crack and crevice treatment only.** Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage and enclosed processing systems. Serving areas (when food is exposed and facility is in operation) also would be considered a food area. Apply in small amounts directly into cracks and crevices using a bulbous duster or other suitable equipment capable of applying insecticide directly into cracks and crevices, in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases, conduits, motor housing and electrical switch boxes where roaches hide. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of feed or food processing surfaces.

Application of this product in the food areas of food handling establishments, other than as a crack and crevice treatment, are not permitted.

Serving Areas - Facilities where prepared foods are served, such as dining rooms, but excluding areas where food may be prepared or held. Apply as a spot treatment to selective surfaces such as baseboards, under elements of constructions into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

Non-feed areas - Include garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling.) Apply to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter.

Precautionary Statement:

Hazards to humans and domestic animals.

Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

First Aid Statement:

- **If Swallowed:** - Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.
- **If Inhaled:** - Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.
- **If In Eyes:** - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. In case of emergency, for additional information call (1-866-267-2637).

Storage and Disposal: Do not contaminate water, food or feed by storage and disposal. **Storage:** Store in a dry place. Do not store where children or animals may gain access. **Disposal:** If empty: Do not reuse container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTIFICATION

NOV 29 2003

**ATTENTION: Marion Johnson
Product Manager, Team 10**

**SUBJECT: Copper Brite, Inc.
Roach Prufe (EPA Reg. No. 9608-2)
Notification per PR Notice 2001-6**

Dear Mr. Johnson:

On behalf Copper Brite, Inc., we are submitting a Notification for their end-use product, **Roach Prufe (EPA Reg. No. 9608-2)**. The purpose of this Notification is to revise the pesticide disposal language in accordance with PR Notice 2001-6.

Please note that these revisions do not involve any changes to the ingredients statement, signal word, use classification, use directions, first aid, or precautionary statements. Furthermore, the additions do not substitute for or conflict with label text, and are not false or misleading.

Enclosed please find the following documents in support of this submission:

1. Application for Pesticide Notification (OPP ID No. 265394), which includes a signed statement certifying compliance with PR Notice 2001-6;
2. One (1) copy of the proposed product labeling, with changes highlighted; and,
3. One (1) copy of the proposed product labeling.

Insofar as Lewis & Harrison serves as the "Company Contact" and "Company Agent" for Copper Brite, Inc., please relay all correspondence regarding this notification submission directly to us. If you have any questions, please call me at (202) 393-3903 x. 17 or e-mail me at alkoster@lewisharrison.com.

Sincerely,

Ana Rodriguez-Koster
Agent for Copper Brite, Inc.
