	TERM OF ISSUANCE	
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREISTRATION (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)		
NAME OF PESTICIDE PRODUCT M GARD W533		

165881 / 165 / 18

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Hooney Chemicals, Inc.  
 2301 Scranton Road  
 Cleveland, OH 44113

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 9630-22."
  - b. Delete the claim "Wood Preservation" following the phrase "Directions for Use." A 30-second dip treatment of logs would be unlikely to provide protection against rot and decay. The claims for control of sapstain, mold, and mildew are not considered to be wood preservative claims.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL 	DATE 10/16/86
--	------------------

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Henry M. Jacoby  
Product Manager (21)

ACTIVE INGREDIENT:	
Zinc naphthenate	60.2%
(Zinc as metal, 7.6%)	
2-n-octyl-4-isothiazolin	
3-one	2.0%

INERT INGREDIENTS	37.8%
TOTAL	100%

EPA Reg. No. 9630-  
EPA Est. No. 9630-PA-01

WEIGHT PER GALLON - 8.3 LBS.

### PRECAUTIONARY STATEMENTS DANGER

#### Hazards to Humans and Domestic Animals

Corrosive. Causes irreversible eye damage. Causes skin irritation. May cause allergic skin reactions. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles and rubber gloves when handling. Wash with plenty of soap and water after handling. Avoid breathing vapors or spray mist. Use in adequate ventilation. Remove contaminated clothing and wash before reuse.

#### Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

#### Physical and Chemical Hazards

Combustible: do not use or store near heat or open flame.

### STORAGE AND DISPOSAL

#### Prohibitions

Do not contaminate water, food or feed by storage disposal. Open dumping is prohibited.

#### Storage

Store between 10°F and 100°F. Store in original containers only. Keep containers closed when not in use.

#### Pesticide Disposal

Pesticide Spray mixture, rinsate or wastes resulting from use of this product should be processed according to procedures approved by federal, state or local authorities.

#### Container Disposal

Triple rinse (or equivalent) and offer for recycling, reconditioning or puncture and dispose of in sanitary landfill, or by other procedures approved by state or local authorities.

with COMMENTS  
In EPA Letter Dated

### M-GARD W553

M-GARD W553 is an emulsifiable concentrate of zinc naphthenate and a mildewcide suitable for dilution and application on wood, logs and lumber to prevent sapstain mold and mildew stain. Application should be limited to dip treatment.

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

OCT 16 1986

9630-22

### DIRECTIONS FOR USE -- WOOD PRESERVATION

Protection from mold and mildew is obtained by dipping of the wood in the water reduced solution. Reduce M-GARD W553 with between 40 and 100 parts of water, by volume, depending on the severity of the conditions. Application should be limited to dipping operations. Eye protection and rubber gloves are recommended during initial mixing. Wood to be treated should be immersed between 30 seconds to 1 minute.
