/18

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

(b) (7)(C) provided that you:

1. Submit to the Administrator... product under this Act... of similar products...

2. Make the following changes to the label you received... for shipment:

- a. Add the phrase "EPA Pesticide ID: 9630-24."
- b. On the front label "Keep out of reach of children" must be in close proximity to the signal word "DANGER."

3. Submit five (5) copies of your final printed label to the Administrator before you release the product for shipment. Refer to the Administrator for a full description of final printed labeling.
