NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. Submit data for reregistration of your product in accordance with section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Provide a copy of your product label to the Agency, 9630-29 to your local office.

3. Provide a copy of your product label to the Department of Formula (DDF), column 1000, 9630-29 to your local office (all products = 25.0%). Submit a copy to the Agency.

4. Do not release the product for shipment until you have received labeling before you release the product for shipment. Refer to the 8-75 enclosure for a further description of final printed labeling.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store at temperatures between 20 F and 100 F. If the product has been spilled or is leaking, remove the source of the spill or leak. Recover free liquid. Spread absorbent, then pick up and place in containers. Then, where applicable, wash area with detergent and water. Store product in the original container only. Do not store with fertilizers, food and feed. Keep containers closed when not in use.

PESTICIDE DISPOSAL: Pesticide, spray mixture or residue that cannot be used or chemically reprocessed should be disposed of according to procedures approved by federal, state or local authorities.

INDUSTRIAL CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

CONSUMER CONTAINER DISPOSAL: Do not use empty container. Securely wrap original container in several layers of newspaper and discard in trash.

### DIRECTIONS FOR USE

M-GARD S601 BLK protects wood and wood products against wood destroying fungi, rot, decay, mildew, mold, moss and attack by termites. Wood to be treated is intended for exterior use: fences, posts, shakes, shingles, siding, decks, logs, structural timbers, docks, piers, pilings, boats, and nursery lumber. It preserves and protects wood surfaces in contact with concrete, soil and water. M-GARD S601 BLK imparts a brown/black color to the wood. It is intended to act as a preservative stain. Do not topcoat over this treatment.

#### PREPARATION

Wood should be clean and free of dirt and oils, dry, well seasoned and free of bark.

#### APPLICATION

For dip, brush or spray treatment: use at this existing concentration. For above ground, immerse wood 1-3 minutes per inch of thickness or apply one or two liberal brush or spray coats. For below ground use, immerse 15 minutes per inch of thickness.

#### NOTES TO USER

Do not use on wood intended for food, feed, potable water, livestock or dairy animal contact surfaces. Wood should be dry, clean, well seasoned and free of bark. Do not apply on galvanized or varnished surfaces. Clean up equipment with mineral spirits.

#### COVERAGE

One gallon covers 100-300 square feet depending on porosity of wood.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
