MICROBIOCIDAL Q

EPA REG. NO. 9640-2

EPA EST. NO. 9640-VI-1

ACCEPTED
18 MAR 1980
UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND MITICIDE ACT
FOR ECONOMIC POISON REGISTRY
ED UNDER NO.

MICROBIOCIDAL Q IS USED TO CONTROL ALGAE AND SLIME GROWTH IN RECIRCULATING COOLING WATER SYSTEMS

Active Ingredients:

n-Alkyl (60% C14, 30% C16, 5% C15, 5% C18)
dimethyl benzyl ammonium chloride
n-Alkyl (50% C12, 30% C14, 17% C16, 3% C18)
dimethyl ethyl benzyl ammonium chloride

Inert Ingredients

Weight per gallon 8.27 lbs.
Active ingredients per gallon 0.83 lbs.

**KEEP OUT OF REACH OF CHILDREN
DANGER**

FIRST AID: SKIN AND EYES: Flush with plenty of water for at least 15 minutes. **INGESTION:** Swallowed drink milk, egg white, or water. **INHALATION:** Move to fresh air. If breathing is difficult, give artificial respiration.

ENVIRONMENTAL HAZARDS: This product is highly toxic to aquatic life. It is also highly toxic to birds and mammals. It is also highly toxic to fish and shellfish. It is also highly toxic to bees and other beneficial insects.

Directions for Use

GENERAL CLASSIFICATION

The U.S. Environmental Protection Agency has found this product in a manner inconsistent with its labeling.

Initial dosage: 1 quart per 12000 gallons of water in the system. Add 1 quart per 12000 gallons of water as soon as visible growth appears.

Method of application: Apply to the system. After the application, the sudden appearance of considerable quantities of algae indicates that algae has been effectively penetrated and is being removed from the water. For best results, add the system of organic debris.

For more information, contact your distributor.

STORAGE AND DISPOSAL: Store in a cool, dry place. Do not contaminate water, food, or feed. Clean equipment. The container must be triple-rinsed and disposed of by recycling, reconditioning, or disposal in accordance with local, state, and federal regulations. Residue that cannot be used or reprocessed should be disposed of in accordance with the pesticide label in a safe place away from water.
