Kills fleas and ticks on dogs and cats and in other areas where fleas and ticks hide.

**STOP. READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS OR CATS.**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USING.**

### OPTION A – PARAGRAPH FORMAT

**To Kill Fleas & Ticks on Dogs and Cats:** Apply directly to animals along back, under forelegs, and other areas except scrotum and anus. Part hair to contact skin and insure good coverage. Hold nozzle about one foot away while spraying. Apply until hair is thoroughly moist. Do not spray directly in eyes or mouth of animal. Do not reapply product for 7 days. Do not use on cats or dogs under 12 weeks. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals. **NOTE:** This aerosol may make a slight hissing sound and cause a temporary cooling sensation. Hold pet securely while applying. Nervous animals may become frightened the first time this product is used but soon become accustomed to the treatment. **To Kill Fleas & Ticks in Pet Bedding and Pet areas:** To reduce reinfestation, thoroughly spray the animals bedding and other resting places until surface is slightly moist. Treat these areas at the rate of 2 seconds per linear foot at a distance of 12 to 18 inches. Also spray entire inside surface of dog houses. Repeat as necessary. **To Treat Flea & Tick Infestation in Rugs and Carpets:** Spray rugs and carpets where fleas tend to hide. If used on light or delicate upholstery fabrics, test for potential staining in an inconspicuous place prior to use. Spray thoroughly into hiding places such as cracks and crevices, in walls and floors, along baseboards, windows and door frames. Repeat as necessary. *Note: Check carpet manufacturer's warranty and care and maintenance information before using product on your specific brand of carpeting.*

### OPTION B – NUMBERED FORMAT

#### To Kill Fleas & Ticks on Dogs and Cats

1. Part animal's hair to contact skin and insure good coverage.
2. Hold can about 12" away from pet while spraying.
3. Apply directly to animals along back, under forelegs, and other areas except scrotum and anus. Do not spray directly in eyes or mouth of animal.
4. Apply until hair is thoroughly moist.

*Do not reapply product for 7 days. Do not use on cats or dogs under 12 weeks. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.*

**NOTE:** This aerosol may make a slight hissing sound and cause a temporary cooling sensation. Hold pet securely while applying. Nervous animals may become frightened the first time this product is used but soon become accustomed to the treatment.

#### To Kill Fleas And Ticks in Pet Bedding and Around the Home

1. Treat areas where fleas and ticks tend to hide including pet bedding and resting areas, rugs and carpets, and inside surfaces of dog houses.
2. Hold can 12" to 18" away from surface and spray until surface is slightly moist.
3. Spray thoroughly into cracks and crevices in walls and floors, along baseboards, windows, and door frames.
4. Repeat treatment as necessary.

**Note:** If product is used on light or delicate upholstery fabrics, test for potential staining in an inconspicuous place prior to use. Check carpet manufacture's warranty and care and maintenance information before using product on your specific brand of carpeting.

#### STORAGE AND DISPOSAL

**Storage:** Store in a cool place away from heat, direct sunlight, or open flame.  
**Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

#### PRECAUTIONARY STATEMENTS

##### Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed or absorbed through skin. Avoid breathing vapor and spray mist. Avoid contact with skin and eyes. Remove pets, birds and cover fish aquariums before spraying. Do not apply directly to or around food. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

##### First Aid

**If Swallowed:** Call a Poison Control Center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove

contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

#### Physical or Chemical Hazards

Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate. Exposure to temperatures above 130° F may cause bursting.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**Questions or Comments?** Call 1-800-332-5553

**The ACE Promise:** If this Ace product when used for its intended purpose, fails to give you complete satisfaction, return the item to the Ace Hardware store where purchased for the replacement of the same or similar item.

Contains NO CFC's or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
