PRECAUTIONARY STATEMENTS

WARNING

Hazards to Humans and Domestic Animals

Harmful if swallowed or absorbed through skin. Avoid breathing vapor and spray mist. Avoid contact with skin and eyes. Remove pets, birds and cover fish aquariums before spraying. Do not apply directly to or around food. Cover or remove any food utensils and food processing equipment during application. Do not apply while food processing is underway. After space spraying in areas where food is handled, wash all equipment, benches, shelving, etc. where exposed food will be handled with potable water.

Statement of Practical Treatment

If Swallowed: Drink promptly a large quantity of milk, raw egg whites, gelatin solution or, if these are not available, drink large quantity of water. Avoid alcohol. Call a physician or Poison Control Center. **If on Skin:** Wash contaminated clothing and wash affected areas with plenty of soap and water **If In Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated.

Environmental Hazards

This pesticide is highly toxic to fish, birds and other wildlife. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Drift and runoff from treated sites may be hazardous to fish in adjacent waters.

Physical and Chemical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and flame. Do not puncture or incinerate. Exposure to temperatures above 130°F may cause bursting.

Storage and Disposal

Storage: Store in a cool place away from heat, direct sunlight, or open flame. Keep in original container and preferably in a locked storage area. **Disposal:** Replace cap and discard container in trash. Do not puncture or incinerate.

Precautionary Statements

Net Wt. 13 oz.

**KILLS MOST DISEASE GERMS
HAS RESIDUAL BACTERIOSTATIC EFFECT
ON ODOR CAUSING BACTERIA**

Effective against dangerous Staph and Strep germs when used as directed as a surface disinfectant.

Spray regularly in garbage cans, empty diaper pails, bathroom basins, shower stalls, telephones, sickrooms, animal areas, and other similar hard surfaces in the household area where disinfection is desired.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. For a surface disinfectant, deodorant or mildew control, hold can upright 6 to 8 inches from surface. Spray surface 2 to 3 seconds until covered with mist. Wait 10 minutes; if desired, wipe surface dry with cloth. This product must not be used on food contact surfaces. For use as a space or room deodorant, direct spray toward center of room for 5 to 8 seconds. Soiled surfaces must be cleaned prior to treatment.

Eliminates odors-refreshes air, leaving refreshing scent.

Eliminates cooking odors, bathroom odors and odors arising from poorly ventilated areas.

Prevents mold and mildew. Spray and allow to dry without wiping to control fungus growth or odor causing bacteria on clean hard smooth surfaces such as metal, glass, tile or painted surfaces such as walls and ceilings. Spray regularly in garbage cans, empty diaper pails, bathroom basins, shower stalls, telephones, sickrooms. Reapply whenever new growth appears. Inhibits growth of odor causing bacteria in the presence of moisture.
