ACCEPTED

NOV 4 1991

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended for the pesticide registered under EPA Reg. No. 9688-63

Chemsico

STORAGE AND D
Store in a cool, dry area
Discard container in tra

Kills roaches, houseflies, mosquitoes, spiders, fleas, ticks, crickets, silverfish, small flying moths, wasps, centipedes, rice weevils, sawtoothed grain beetles, black carpet beetles, and pill bugs.

One unit treats an entire room (up to 25' x 30' with an 8' ceiling) with an effective bug killing fog that leaves no unpleasant residual odor.
Do not use this unit in an area less than 1500 cubic feet.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Cover exposed food, dishes and food-handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before re-entry.

SHAKE WELL BEFORE USING

To Lock Valve in Open Position for Automatic Discharge;

1. Press valve button all the way down, hooking the catch.
2. Then place fogger on stand or table in center of room with the valve locked open, with several layers of newspaper or pad under fogger.
3. Leave building at once and keep building closed for two hours before airing out. Open all doors and windows and allow to air for 30 minutes.
4. Repeat spraying in two to four weeks if necessary.

TO KILL TICKS AND FLEAS: Remove and destroy old pet bedding. Apply this product as for other insects. Put fresh bedding in pet's quarters after treatment. Treat dogs and cats with a flea and tick product registered for animal application before allowing them to re-enter the treated area. **CONTROLS ADULT FLEAS AND LARVAE FOR UP TO FOUR WEEKS.**

AUTOMATIC INSECT FOGGER "D"
