re: Chemsico Roach Control, EPA Reg. # 9688-67
label amendment submitted 6/3/2011 (D# 450130)
expand efficacy to 6 months control
accepted

Dear Ms. Goldberg:

The revised labeling reference to above, submitted in connection with the registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is ACCEPTABLE.

This amendment expands the period of control from 3 months to 6 months. Enclosed please find a copy of the review by JUrbaniski dated 10/5/2011 of data supporting this claim.

Submit one copy of your final printed labeling incorporating the above changes prior to releasing your product for shipment. If the above provisions are not complied with the registration will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A copy of the label stamped "accepted" is enclosed for your records. If you have any questions please contact Tom Harris at (703) 308-9423 or harris.thomas@epa.gov

Sincerely yours,

A handwritten signature in black ink, appearing to read "John Hebert".

OCT 27 2011

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for the
pesticide registered under:

EPA. Reg. No: 9688-67

Active Ingredient: Chlorpyrifos 0.50%
Other Ingredients: 99.50%

KEEP OUT OF REACH OF CHILDREN

CAUTION See back for additional precautionary statements

CONTAINS: 12 - 0.07 OZ. Baits

TOTAL NET WT. 0.84 OZ. (23.8 g)

[Bracketed Text] = Optional Language

Optional Marketing Language:

[Chemsico Roach Control kills the roaches that enter the station and eat the bait and the eggs they carry.

Chemsico Roach Control contains an attractant that gets roaches to the bait.

1. Attractant draws roaches to bait station.
 2. Roaches eat bait, then crawl away to die.
(graphic) Kills roaches . . . and the eggs they carry.
- (OPTIONAL: Chemsico Roach Control works by attracting roaches to the bait tray. They eat the bait and crawl away to die.)

(OPTIONAL: Guaranteed to work or your money back*).

(OPTIONAL: Bait stations are designed to be visually inspected with a flashlight. This allows for monitoring and timely replacement.)

STOP. READ ENTIRE LABEL BEFORE USING. DIRECTIONS FOR HOUSEHOLD USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Open pouch and break bait trays apart from plastic frame.
[Alternate: Open pouch, break bait stations apart from each other.]
2. Place the trays where you have seen roaches or in out-of-the-way places [using the stick-up tape provided][Alternate: To apply to vertical surfaces, peel the protective strip to expose adhesive.] Use at least 10 bait stations in the kitchen and 2 in each bathroom placing them near walls, in cabinets, under sinks and refrigerators and in closets. Heavy infestations may require additional baits, especially in kitchen and bathroom areas.
[Alternate format: Place bait stations where roaches have been seen or in out-of-the-way places near walls, in cabinets, under sinks and refrigerators and in closets. Recommended bait locations: Use at least 10 bait stations in the kitchen and at least 2 in each bathroom. Heavily infested areas may require additional bait stations. To apply to vertical surfaces, use the stick-up tape provided.]
4. Replace all bait stations every 6 months, sooner if infestation is heavy.[Alternate: Replace baits every 6 months for continued control or sooner if infestation is heavy.]

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Wash thoroughly with soap and water after handling bait stations. Keep out of reach of children. Do not place bait on surfaces where food is being
