Outdoor Treatment:

MAY 14 1992

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

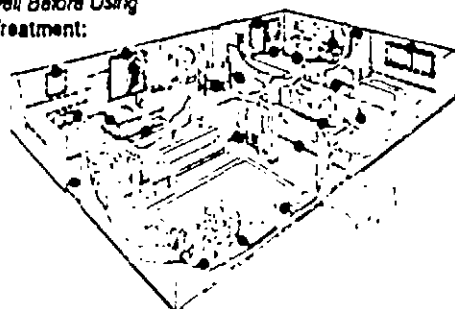

• Typical areas that may require insecticide treatment

**Chemsico Home Insect Control B**

- Do-It-yourself Pest Control
- Fast Killing
- Kills Even Hidden Bugs
- Keeps on Killing
- Water-Based (Non-Staining, No Odor)

**Directions for Use:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
**Sprayer Instructions:** More detailed information on application, use and assembly of sprayer attached to sprayer unit.  
**Shake Well Before Using**

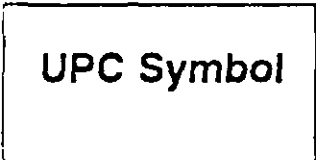

**Indoor Treatment:**

• Typical areas that may require insecticide treatment.

**FOR HOMES, APARTMENTS AND BUILDINGS — PESTS INDOORS:**  
 Spray areas where cockroaches, ants, clover mites, crickets, fleas, silverfish and spiders are found or normally occur including dark corners of rooms and closets, cracks and crevices in walls; along and behind baseboards; beneath and behind sinks, stoves, refrigerators and cabinets; around plumbing and other utility installations. For ants, apply to ant trails, around doors and windows and wherever else these pests may find entrance. For control of carpet beetles, thoroughly spray along baseboards and edges of carpeting, under carpeting, rugs and furniture, in closets and on shelving, and wherever else these insects are seen or suspected. For control of fleas and brown dog ticks, thoroughly spray pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and door covering where these pests may be present. Old bedding of pets should be removed and replaced with clean fresh bedding after treatment of pet area. Do not treat pets with this product. To control the source of flea infestations, pets inhabiting the treated premises should be treated with a product registered for application to animals. Note: Check carpet manufacturer's warranty and care and maintenance information before using product on your specific brand of carpeting.

 (1R,3S)3[(1'RS)(1', 2', 2'-tetrabromomethyl)-  
 2,2-dimethylcyclopropanecarboxylic acid  
 (S)-alpha-cyano-3-phenoxybenzyl ester . . . . . 0.025%  
 Inert Ingredients: . . . . . 99.975%

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION**

See side panel for additional precautionary statements  
 Net Contents 1 Gallon

**PESTS OUT OF DOORS:** Flies, mosquitoes: For outdoor use as an aid in reducing annoyance from these insects. Spray outside of screens, doors, window frames or wherever these insects enter the room. Also spray surfaces around light fixtures, on porches, garages and other places where these insects alight or congregate. Repeat as needed. Ants, brown dog ticks, crickets, fleas and ticks: For treatment of localized infestation of these insects in outdoor areas where there are weeds or bushy non-crop areas, spray infestation thoroughly. For ants, thoroughly wet hills and runways. Repeat as needed.

**STORAGE AND DISPOSAL**  
 Store in cool, dry area away from heat or open flame. Discard in trash.

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans and Domestic Animals**  
**CAUTION:** Harmful if inhaled. Avoid breathing vapor or spray. Avoid contact with eyes and skin. Remove contaminated clothing and wash before reuse. Wash thoroughly after handling. Avoid contact with food, feedstuffs and domestic water supplies. Do not use in food/feed areas of food handling establishments, restaurants, areas where food/feed is commercially prepared or processed, or in serving areas where food/feed is exposed. In the home, all processing surfaces and utensils should be covered during treatment. Thoroughly wash before use. Remove pets, birds and aquariums before spraying.

**Statement of Practical Treatment**  
 If Inhaled: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention.

**Environmental Hazards**  
 This product is toxic to fish, and other aquatic organisms. Do not discharge directly to water.

**NOTICE:** Buyer assumes all responsibility for safety and efficacy in accordance with directions.
