U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

9688-93

Date of Issuance:

NOV 4 1998

Term of Issuance:

Unconditional

Name of Pesticide Product:

Chemsico Grass & Weed Killer A

NOTICE OF PESTICIDE:
Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Chemsico
Division of United Industries Corp.
P.O. Box 15842
St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. The following revisions must be incorporated into the labeling before the product is released for shipment:

- 1) Revise the statement reading "Avoid contact with skin, eyes or clothing" in the Precautionary Statements to read "Do not get on skin or on clothing. Avoid contact with eyes."
- 2) Add an oral statement to the Statement of Practical Treatment to read "If Swallowed: Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol."
- 3) Add a note to physician at the end of the Statement of Practical Treatment to read "Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage."

EPA Reg. No. 9688-93

Enclosed is a copy of your label stamped "Accepted with Comments". This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain registration of your product.

STOP READ ENTIRE LABEL BEFORE USE

(Option: Stop. Read all instructions inside before using.)

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For home use only.

Chemsico Grass & Weed Killer A concentrate kills unwanted vegetation throughout your yard. • Patios, walkways, along fences and ornamental planting beds

ENTRY RESTRICTIONS

Do not allow people or pets to touch treated plants until the sprays have dried.

APPLICATION RESTRICTIONS

Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only person applying this product may be in the area during application.

HOW TO USE

1. Shake bottle before using.
2. Decide the dilution rate you need based on the types of grasses or weeds you want to kill. The dilution rate is the number of ounces of concentrate to mix with each gallon of water.

Weed Types	Dilution Rate
EASY TO KILL: such as ajuga, black medic, dandelion, morning glory, oxalis, plantain (broadleaf, lanceleaf)	3-5 oz./gal.
HARDER TO KILL: such as barnyard grass, green foxtail, ground ivy, knotweed, portulaca, spotted spurge	6-8 oz./gal.
HARDEST TO KILL: such as crabgrass (smooth, large), goosegrass, quackgrass Some hard-to-kill weeds may require re-treatment.	9-12 oz./gal.

3. Choose an application method: Lawn & Garden Pressure Sprayer, Trigger Sprayer, Sprinkling Can - Mix concentrate with water to the desired dilution rate.
4. Thoroughly wet the weeds or grasses you want to kill.
5. Wilting and browning will begin within hours.

USE TIPS

1. For best results, apply on a sunny day when it's above 60° F. If it rains within 12 hours of spraying, you'll probably need to treat again.

ACCEPTED
with COMMENTS
In EPA Letter Dated
NOV 4 1998

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 9688-93

2. Don't spray on plants you like - they may die too. Don't spray on windy days to avoid drift to plants you like. Rinse them off with water if contact occurs.
3. Use higher concentrations (up to 12 ounces per gallon) for hard-to-kill weeds and tough grasses, such as Bermuda.
4. Wash sprayer container thoroughly after use.

HOW IT WORKS

Chemsico Grass & Weed Killer A concentrate works only if it contacts the foliage of unwanted vegetation. Once it hits the ground, it is deactivated by the soil.

USER SAFETY RECOMMENDATIONS

Clothing exposed to this product should be washed in detergent and hot water. Such items should be kept and washed separately from other laundry. Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse container. Discard container in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Harmful if inhaled. Avoid breathing spray mist. Harmful if absorbed through skin. Causes skin and eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

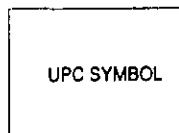

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. **If on Skin:** Wash with plenty of soap and water. Get medical attention. **If In Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

Environmental Hazards

This pesticide is toxic to aquatic invertebrates. Do not apply directly to water.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
