Subject: EPA Reg. 9688-109 / Chemsico Spot Weed Killer A Notification

Dear Ms. Goldberg:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 8-26-10 for the product EPA Reg. 9688-109 / Chemsico Spot Weed Killer A. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions please call Erik Kraft at 703-308-9358 or email at <u>Kraft.Erik@epa.gov</u> or Kathryn Montague at 703-305-1243 or <u>Montague.Kathryn@epa.gov</u>.

Sincerely,

Kathryn Montague Team Leader Herbicide Branch, Team 23 Registration Division (7504P)

Subject: NOTIFICATION: Label Notification per PRN 98-10 Chemsico Spot Weed Killer A EPA Reg. No. 9688-109

Please find the enclosed notification per PR Notice 98-10 to: (1) Add additional marketing claims; (2) Revise the current optional Directions for Use sprayer instructions and; (3) Revise the current Storage and Disposal section. The aforementioned changes are all intended to accommodate a newly designed "Easy Action Pump Sprayer" applicator. The sprayer instructions revision does not result in any exposure greater than the current level on the accepted label, nor does it change the dosage, concentration, timing or frequency. Please note that the "Easy Action Pump Sprayer" applicator sections of the label also reflect the recent FPL submission (August 4, 2010- copy enclosed) incorporating the requested changes per the reregistration label table. All changes have been highlighted throughout the label.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

The following documents are enclosed in support of this submission:

- 1. Application for Pesticide (EPA Form 8570-1)
- 2. One copy of the proposed label with changes highlighted
- 3. One clean copy of the proposed label
- 4. One copy of the final printed labeling dated August 4, 2010

Please call me at 1-800-242-1166, Ext. 2438 or via email: jessica.goldberg@spectrumbrands.com, if you have questions or need further information. Thank you in advance for your time.

....

Sincerely,

Jessica Goldberg **V** Regulatory Affairs Specialist

### **OPTIONAL MARKETING LANGUAGE**

[Chemsico Spot Weed Killer A kills more than 33 [66] [200] types of [broadleaf] [brushy] [lawn] weeds down to the root. And Chemsico Spot Weed Killer A is formulated to kill only the weeds, not the lawn.

Chemsico Spot Weed Killer A kills major [broadleaf] [brushy] [lawn] weeds down to the root. And Chemsico Spot Weed Killer A is formulated to kill only the weeds, not the lawn.]

#### **OPERATING INSTRUCTIONS FOR EZ SPRAY™**

- 1. Remove sprayer from side holder. Gently pull tubing out. [Graphic depiction]
- 2. Remove seal from top of cap. Unplug cap. [Graphic depiction]
- 3. Securely snap the [green] plug into hole on cap. [Graphic depiction]
- 4. Remove plastic tab near bottom of sprayer to activate batteries. [Graphic depiction]
- 5. Twist nozzle to adjust spray from CLOSE to SPRAY to STREAM. [Graphic depiction]

#### HOW TO USE THE EZ SPRAY

- Aim toward target weeds/plants, and away from people and pets.
- Press the trigger to spray.
- Release the trigger to stop spray.

After use: 1. Twist nozzle completely to CLOSE position. 2. Secure sprayer upright in holder. 3. Failure to adjust nozzle completely to CLOSE position and properly secure sprayer in holder may result in leakage and damage to property or injury to people or animals.

**To replace batteries:** 1. Slide battery compartment door to unlatch and open. 2. Remove used batteries and insert four new AA batteries *in correct positions* as marked per diagram inside of battery compartment. Never insert the positive end where the negative end belongs and vice versa. *Always* use a complete set of new batteries of the same type when replacing batteries. *Never* mix alkaline, carbon-zinc or rechargeable batteries. 3. Securely close battery compartment door. 4. *Always* follomanufacturer's recommendations for use and disposal of batteries.

Additional Operating Notes: • Do not submerge in water. • Before each use inspect sprayer carefully, make sure hose is flexible and not kinked, worn or cracked, and that all connections are tight. • When storing sprayer for prolonged periods remove batteries.

# [EASY ACTION PUMP [SPRAYER] Directions] [HOW TO USE THE EASY ACTION PUMP [SPRAYER]]

- [1. For the initial use, remove the tie that is securing the handle to the base of the pump.
- 2. **REMOVE THE WAND** from the holster and **PULL THE HOSE** from the storage compartment.

# **STOP.** READ ENTIRE LABEL BEFORE USE.

[Stop. Read all instructions inside before using.

PRESS TO RESEAL]

# DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people or pets to enter the treated area until sprays have dried.

# HAND SPRAYER PRODUCT (DIRECTIONS & STORAGE AND DISPOSAL)

1. Shake well.

FN: 9688-109-A5-N11

- 2. Connect trigger sprayer. Unscrew and discard the [white] cap on the bottle. Insert the hose into the bottle and tighten the cap securely.
- 3. Prime Sprayer: Turn the sprayer nozzle one-half turn counter-clockwise. Hold the sprayer lower than the bottle and squeeze the trigger several times until it sprays. Adjust the nozzle to coarse spray pattern to minimize wind drift. (graphic)
- 4. Spray just enough [Chemsico Spot Weed Killer A] [product] to lightly cover [broadleaf] [brushy] weeds [brush]. *Excessive spraying can injure some lawns.* Do not spray weeds [brush] growing within the dripline of trees. (graphic) Do not apply when daytime temperatures are above 85° F as lawn injury can occur. (graphic) Spray only the weeds [brush], not the entire lawn.
- 5. Weeds [brush] will begin wilting and browning overnight.
- 6. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

#### **USE RESTRICTIONS**

- Limited to 2 spot treatments per year (a spot application is defined as an area n greater than 1000 sq. ft. per acre
- > Minimum of 30 days between applications
- Maximum of .046 lbs as 2, 4-D [(list product amount in fl. Oz)] per 1000 sq. ft.

#### PRECAUTIONS

- Some hard-to-kill weeds [brush] may require re-treatment. Wait at least 30 days between applications some weeds [brush] can take that long to die.
- > Do not water treated area within 6 hours after application or apply if rain is expected that day.
- Do not use this product on or near desirable plants, including within the dripline of the roots of desirable trees and shrubs, since injury may result. Do not apply

- 4. **TURN THE PUMP HANDLE CLOCKWISE** to tightly seal the pump to the bottle and unlock the pump handle for pumping. (Graphical representation)
- 5. RAISE THE PUMP HANDLE FROM THE BOTTLE AND PUMP until you begin to feel resistance. (Graphical representation)
- 6. Secure the pump handle for carrying by pushing the handle into the base of the pump and turn the handle counterclockwise one quarter turn to lock. (Graphical representation)
- 7. **BEGIN SPRAYING** by pushing down on the spray handle trigger. (Graphical representation)
- 8. **ROTATE THE NOZZLE AT THE TIP** of the wand to adjust the spray from a direct spray to a broadcast mist. (Graphical representation)
- 9. For continuous spray, push the trigger down and slide it forward to lock. SLIDE THE TRIGGER BACK TO RELEASE it from the lock position.

**Note:** If sprayer does not function properly, remove nozzle cover and check nozzle and holes in rubber component for obstructions. Replace nozzle cover and use as instructed above.]

Use Chemsico Spot Weed Killer A as directed to spot treat [the following types of weeds in your lawn]:

# **STORAGE AND DISPOSAL** (EASY ACTION PUMP [SPRAYER])

**Pesticide Storage:** Slowly turn the pump handle counterclockwise to loosen the pump mechanism from the bottle to release pressure. Turn the handle back clockwise to seal the unit for storage. Turn the handle counterclockwise one quarter turn to lock the handle. Push the hose back into the storage compartment. Place the wand back in the holster. Store this product in its original container in a secre storage area. **Pesticide Disposal: If empty:** Nonrefillable container. Do not reuse or refill this container unless the directions for use allow a different (concentrated) product to be diluted in the container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

# PRECAUTIONARY STATEMENTS (FOR ALL PRODUCTS)

#### Hazards to Humans and Domestic Animals

**CAUTION**. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. When using this product, wear protective eyewear, long-sleeved shirt, long pants, socks, shoes and rubber gloves. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as social as possible and shower. Washing hands thoroughly with soap and water before eating, drinking, chewing gum or using tobacco will reduce exposure. Avoid contamination of food or feedstuffs.

#### First Aid

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. If on Skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a Poison Control Center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

#### **Environmental Hazards**

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and non-target plants. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not contaminate domestic or irrigation waters. Do not apply when weather conditions favor drift from target area.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

#### [GUARANTEED RESULTS OR YOUR MONEY BACK

If you are not satisfied with this product for any reason send your written request for a refund to the address below, together with the dated store receipt showing the price you paid. Please allow 6-8 weeks for processing]

[Satisfaction Guaranteed: If for any reason you are not completely satisfied with the performance or results of this GreenThumb® product, it will be repaired or replaced free of charge. Simply provide proof of purchase and return the product and/or unused portion to the place of purchase.]
