

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (7505C)
 401 "M" St., S.W.
 Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

9688-119

APR 25 1997

NOTICE OF PESTICIDE:
 x Registration
 Reregistration

Term of Issuance:

Unconditional

Name of Pesticide Product:

Chemsico Tralomethrin
 Indoor Fogger

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Chemsico
 Division of United Industries Corporation
 8825 Page Boulevard
 St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3)(c)(2)(B).

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 9688-119"
- b. Under "Preparation" paragraph 1 delete the sentences beginning with "Shut off fans and xxx", and "Put out all flames and pilot xxx", and replace with "Do not use more than one fogger per room. DO NOT use in small, enclosed

Enclosure

Signature of Approving Official:

4/25/97

spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x f ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valve, other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.)). Call your utility or management company if you need assistance."

c. Under preparation paragraph 2 delete the phrase "xxx of unobstructed area", and the sentences beginning "Do not use fogger in an area xxx" etc. Also add the dimensions of the room in parenthesis following the statement "Use one fogger for each 6,000 cubic feet xxx". (e.g., a room X ft by X ft by X ft).

d. Delete the statement "Repeat spraying as necessary.". The statement "Re-apply after two weeks if necessary" is appropriate.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Chemsico Tralomethrin Insecticide F

- Kills Roaches
- Kills Both Adult and Pre-adult (Larvae) Fleas
- Prevents Reinfestation for up to 4 weeks
- Water-Based (Non-Staining, No Odor)

Also kills ticks, cockroaches, flies, mosquitoes, wasps, spiders, crickets and silverfish.

For use in rooms, apartments, homes, attics, basements, campers, boats, garages, pet sleeping areas, household storage areas and cabins.

STOP! READ ENTIRE LABEL BEFORE USE.

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling

For household use only.

Preparation:

1. Cover exposed food, dishes and food preparation equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. **Put out all flames and pilot lights.** Close doors and windows.
2. **SHAKE WELL BEFORE USING**

How to Use:

Step 1:

Place several layers of newspaper or a pad on table, stand or floor in center of room. Tilt top of can away from face (fogger sprays straight up). Press valve all the way down, hooking the catch.

Step 2:

Set fogger on newspaper or pad. Leave treated area for 2 hours.

After 2 hours, open all doors and windows, turn on air conditioners and fans and let the treated area air out for 30 minutes. Repeat spraying as necessary. **Use one fogger for each 6,000 cubic feet of unobstructed area. Do not use fogger in an area less than 100 cubic feet.** Use additional units for remote rooms or where free flow of mist is not assured.

To kill Fleas or Ticks: Remove and destroy pet's old bedding. Apply this product as for other insects. Put fresh bedding in pet's quarters after treatment. Treat dogs and cats with a registered flea and tick control product before allowing them to enter treated area. For heavy flea infestations or for fleas in deep pile carpeting, re-apply after two weeks.

STORAGE AND DISPOSAL

Store in cool, dry area away from heat or open flame. Discard container in trash. Do not incinerate or puncture container.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if absorbed through skin or if inhaled. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food and drinking water. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove pets, birds and cover fish aquariums before spraying.

STATEMENT OF PRACTICAL TREATMENT

If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists. **If Inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. **If Swallowed:** Do not induce vomiting because of aspiration hazard. Get medical attention. **If in Eyes:** Flush with plenty of water. Call a physician if irritation persists.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
