Subject: Amendment Updating First Aid and Disposal Statements in Accordance
With PR Notices 2001-1 and 2001-6
Chemsico Tralomethrin Insecticide F
EPA Registration Number: 9688-119
Your Submission Dated February 1, 2002

Dear Ms. Mah:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. You must delete the Optional Marketing claim "... that leaves no unpleasant odor", since this claim is subjective. The statement would be acceptable if you remove the adjective "unpleasant", so that the revised sentence reads: "... with and effective bug killing fog that leaves no odor."

If you have any questions please call Susan Stanton at (703) 305-5218.

Sincerely,

A handwritten signature in cursive script that reads "Susan L. Stanton, for".

George T. LaRocca

DIRECTIONS FOR USE

TO USE THIS PRODUCT CORRECTLY

DO NOT use more than one fogger per room. **DO NOT** use in small enclosed

spaces such as closets, cabinets, or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller, instead, allow fog to enter from other rooms.

TURN OFF ALL IGNITION SOURCES such as pilot lights (shut off gas valves), other open flames, or

running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

BEFORE YOU FOG

Cover or remove exposed food, dishes and food preparation equipment. Open cabinets and doors. Shut off fans and air conditioners and turn off all ignition sources as directed above. Remove pets including birds. Cover and turn off fish tanks. Close outside doors and windows.

TO START FOGGING

1. Place several layers of newspaper or paper towels on a table, stand or floor in center of room. Cover waxed wood floors and waxed furniture in the immediate area surrounding the fogger. Newspapers may be used.

2. SHAKE WELL BEFORE USING.

Tilt can top away from face Press valve all the way down, hooking the catch.

3. Set can on newspaper or paper towels and leave the premises immediately. Do not reenter treated area for two hours.

AIRING OUT

After two hours, open all doors and windows, turn on air conditioner and fans and air out for 30 minutes. Re-apply every four weeks if needed.

NOTE: When treating for fleas or ticks, clean and treat pet sleeping areas. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter the treated areas. For heavy infestations or fleas in deep pile carpeting, re-apply every two to four weeks if needed.

STORAGE AND DISPOSAL

Storage: Store in cool, dry area away from heat or open flame. **Disposal:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION: Harmful if absorbed through skin or if inhaled. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food and drinking water. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.

First Aid

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice. **If swallowed:** Call a Poison Control Center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

Physical or Chemical Hazards

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this [label] [box] [can] very carefully. Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate. Exposure to temperature above 130° F may cause bursting.
