OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

Mr. Eric Smith
Chemsico, Div. of United Industries Corp.
P.O. Box 142642
St. Louis, MO 63114-0642

DEC - 2 2010

Dear Mr. Smith:

Subject: Amendment: Add modified California Proposition 65 language
Chemsico Aerosol MP
EPA Reg. No. 9688-122
Your submission dated September 15, 2010

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) section 3(c)(7)(a), is acceptable provided the following revisions are made prior to release for shipment under the amended labeling:

1. In item "4" appearing on the left side of page 2, the word "carnation" does not need to be hyphenated.
2. Update the Storage and Disposal section per PR Notice 2007-4 (regarding addition of the term "non-refillable").

A stamped copy of the label is enclosed for your records. Please submit two copies of the revised amended labeling prior to release for shipment..

If you have any questions regarding this letter, please contact Dana Pilitt, PhD of my staff at (703) 305-7071 or via e-mail at pilitt.dana@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Richard Gebken".

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division (7505P)

OPTIONAL MARKETING LANGUAGE

OPTION A

Chemsico Aerosol MP protects roses, flowers, ornamental shrubs from damaging diseases and insects. Its exclusive formula can actually prevent diseases and is ideal for use on delicate ornamentals.

OPTION B

Chemsico Aerosol MP prevents and stops a wide variety of diseases and insects on roses, flowers and shrubs. It can't be washed off by rain or sprinklers once dried and it works against diseases and insects for up to 2 weeks. Use this product throughout your yard to keep plants thriving.

Prevents and cures. . . Black Spot, Powdery Mildew, Rust, Blight and Leaf Spot
Also kills . . . aphids, spider mites, leafhoppers . . . and many [other] [more] similar insects!

OPTIONAL PRODUCT FACT BOX

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people or pets to contact treated plants until spray has dried.

Do not water the treated area to the point of run-off.

Do not make applications during rain.

All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

1. Treatment to soil or vegetation around structures
2. Applications to lawns, turf, and other vegetation

All outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications, only.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

1. Shake well before using.
2. Begin early in the season. Start treating when insects first appear or conditions favoring disease start to develop.
3. Hold can upright and at least 18 inches from foliage while spraying.
4. Can be used on: Ageratum, aster, azalea, begonia, carnation, chrysanthemum, iris, lilac, marigold, mock-orange, pansy, petunia, privet, rhododendron, rose, salvia, snap-dragon, spirea, sunflower, zinnia.
5. Spray with a slow sweeping motion, covering both upper and lower leaf surfaces and the stem.
6. For best results, repeat every 10 - 14 days.

Wash hands with soap and water promptly after use and after contact with treated plants on day of application.

INSECTS CONTROLLED

Aphids, Bagworms, Cicadas, Fall cankerworms, Fall webworms, Inchworms, Leafminers, Leafrollers, Mealybugs, Spider mites, Thrips (exposed), Whiteflies

DISEASES CONTROLLED

PLANTS	DISEASES
Rose ⁽¹⁾	Black spot, Powdery mildew, Rust
Azalea ⁽²⁾ , Rhododendron ⁽²⁾	Petal blight (ovulinia spp.) Powdery mildew
Carnation, Mock-orange, Pansy, Petunia, Salvia, Snapdragon, Sunflower	Powdery mildew, Rust
Ageratum, Aster, Chrysanthemum, Columbine, Cornflower, Iris, Marigold	Rust
Begonia, Lilac, Spirea	Powdery mildew
Privet, Zinnia	Cercospora leaf spot, Powdery mildew

(1) Treat on a 7 to 10 day schedule. If black spot is not a problem, a 10 to

PLANTS	DISEASES
14 day schedule is recommended.	
(2) Begin spraying when flowers start to show color.	

USE TIPS

- ✓ When using this product on plants not listed, test on a small area first.
- ✓ Do not spray if temperature is above 90 ° F as damage to some delicate plants can occur.
- ✓ Spray early in the morning or late in the evening, when air is still.
- ✓ If it rains before product has dried, re-apply.
- ✓ Regular light sprayings are more effective than a single heavy treatment.

SENSITIVE PLANT CARE

Use with care on ferns, palms and fuchsia. As with all plants, especially carnations, chrysanthemums, and roses, there exists a wide variety of species, and therefore, a wide variety of susceptibility to injury. To test for plant sensitivity, spray a few plants as described above, wait 24 hours, and check for possible injury.

PRECAUTIONARY STATEMENTS AND STORAGE & DISPOSAL FOR EITHER FORMAT

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.
Disposal: Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco, or using the toilet.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

Environmental Hazards

This pesticide is toxic to fish. Do not apply directly to water.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 °F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

*If you are not satisfied with this product for any reason send your written request for a refund to the address below, together with the dated store receipt showing the price you paid. Please allow 6-8 weeks for processing
