U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (7505C)  
401 M St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

9688-131

October 1,  
1998

**NOTICE OF PESTICIDE:**

- Registration
- Reregistration

Term of Issuance: **Conditional**

Name of Pesticide Product:

**Chemsico Roach Control  
System CS**

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Kathie J. Tryson  
Chemsico  
Division of United Industries Corp.  
P.O. Box 15842  
St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. 9688-131".

Signature of Approving Official:

George T. LaRocca  
Product Manager 13  
Insecticide Branch  
Registration Division (7505C)

Date:

OCT 1 1998

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

 George T. LaRocca  
Product Manager 13  
Insecticide Branch  
Registration Division (7505C)

CAUTION See back additional precautionary statements

CONTAINS 12 - 0.07 oz. Baits

TOTAL NET WEIGHT (WT.) 0.84 oz. (23.8 g)

## CARTON

### [OPTIONAL MARKETING LANGUAGE]

[Chemsico Roach Control System CS contains a unique attractant that gets roaches to the bait faster, so they die faster. It also contains a dual active ingredient system. The first active kills roaches that enter the station and eat or come in contact with the bait. The second active is carried back to the nest, where it will kill roaches you do not see.

1. Attractant quickly draws roaches to bait station.
2. Roaches eat bait, then return to where they breed, carrying the active ingredients with them.
3. Roaches, [and the eggs they carry] [and their eggs], die quickly, whether or not they ate from the bait station.]

[The bait quickly draws roaches. Roaches eat the bait and return to [where they breed] [the nest]. The roaches and the eggs they carry die leaving a killing residual for the remaining roaches to consume.]

[Chemsico Roach Control works by attracting roaches to the bait tray. They eat the bait and crawl away to die.] [Guaranteed to work or your money back.]

### STOP. READ ENTIRE LABEL BEFORE USING.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

1. Break bait apart from plastic frame before using.
2. Place bait where you have seen roaches or in out-of-the-way places near walls, in cabinets, under sinks and refrigerators and in closets. Use at least 10 bait stations in the kitchen and 2 in each bathroom. Heavily infested areas may require additional baits.
3. For continued control replace baits every 3 months, sooner if infestation is heavy.

#### STORAGE AND DISPOSAL

Store in a cool, dry place inaccessible to children. Wrap empty bait stations and put in trash.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**CAUTION:** Wash thoroughly with soap and water after handling bait stations.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.
