Chemsico Insecticide
DM

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Chemsico, Division of United Industries Corp.
P.O. Box 15842
St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label change before you release the product for shipment:

Revise the EPA Registration Number to read, "EPA Reg. No. 9688-146.

Signature of Approving Official:

George T. LaRocca
Product Manager (13)
Insecticide Branch
Registration Division (7505C)

Date:

EPA Reg. No. 9688-146

3. Since this product is not being used on pets and animals you should include a statement on your labeling directly under the statement "For household use only" which states Do not use on pets animals and livestock.

Submit one (2) copy of the final printed labeling for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager (13)

Other Ingredients 99.5%

KEEP OUT OF REACH OF CHILDREN

CAUTION See back for additional precautionary statements

NET WT. 16 OZ. (1 LB./453 g)

OPTIONAL MARKETING LANGUAGE

Dust mites are microscopic pests that are a major component of common household dust. They live and breed in your carpet, upholstery, bedding and other dust collectors. This product controls dust mites that may cause allergies, asthma, hay fever, rhinitis, watery eyes and sneezing. One treatment lasts for up to 8 weeks [2 months] [60 days].

[STOP.] Read entire label before use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before using. Remove pets and cover fish tanks before using.

NOTE: Test on hidden surface of carpet and upholstery before using. If texture or color is affected, do not use.

[FOR DUST MITES (*Dermatophagoides spp.*)]

UPHOLSTERED FURNITURE

Hold container upright and 8 - 10 inches away from item. Spray until surface is damp. Allow furniture to completely dry, then vacuum thoroughly using a micro-filtration or other high efficiency [vacuum] bag. *Do not use on delicate fabrics.*

CARPETS

Hold container upright and 12 - 18 inches away from item. Slightly overlap the spray to give total coverage. Allow carpet to completely dry, then vacuum thoroughly using a micro-filtration or other high efficiency [vacuum] bag. Using a fan may shorten drying time.

MATTRESSES AND BEDDING

Spray the entire mattress (top, bottom and sides) until damp, paying special attention to tufts and seams. Allow items to completely dry, then vacuum thoroughly using a micro-filtration or other high efficiency [vacuum] bag.

[HELPFUL HINTS]

1. Vacuum weekly; Replace your vacuum bag often; Use micro-filtration [vacuum] bags.
2. Vacuum furniture, curtains, rugs, carpeting, bedding and other dust catchers.
3. Lowering the humidity in your home with air conditioning and dehumidi-

fiers can help; dust mites thrive on high humidity.

4. Treat every 8 weeks [2 months] [60 days], if needed.]

NOTE: Test inconspicuous sample of fabric or rug for staining before overall use. Check carpet manufacturer's warranty, care and maintenance information before using product on your carpeting.

STORAGE AND DISPOSAL

Store in cool, dry area away from heat or open flame. Discard container in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs. Remove pets and birds and cover fish tanks before space spraying or surface application. Do not allow people or pets to contact treated areas until surfaces are dry. Do not use on humans or pets.

First Aid

If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists. *If on Skin:* Wash with plenty of soap and water. Get medical attention.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130° F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
