

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

9688-147

Date of Issuance:

JUN 29 1999

Term of Issuance: **Unconditional**

Name of Pesticide Product:

Chemsico Indoor Fogger G

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Chemsico, Div. Of United Industries Corp.
P.O. Box 15842
St. Louis, MO 63144

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5), provided that you:

1. Make the following labeling changes listed below before you release the product for shipment:
 - a. On the side panel of your label, under the "Precautionary Statements" section, please change the first sentence to read simply "Harmful if swallowed, inhaled or absorbed through the skin."
 - b. Delete the optional statements highlighting the fact that the product neutralizes [household] [pet] odors and garage odors and freshens the home, etc. The purpose of the product is to control/kill household pests, not for uses as a household freshener. This could mislead the user to apply the product for purposes other than as an insecticide.
 - c. Under the Optional Marketing Language section, delete the phrases "Creates a bug [and insect] free garage [and basement] for up to 8 weeks" and "Kills tough garage [and basement] insects. Terms or phrases implying total eradication or elimination are unacceptable. See 40 CFR 156.10(a)(5)(ii).

2. No efficacy data was found in your application or with the "me-too" product to support your claims for use on mosquitos, flies, spiders, ticks, wasps, and hornets. Please submit or cite (with appropriate MRID numbers) efficacy data to support your claims or remove them from the label.
3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Dr. William Sproat of my team at (703) 308-8587.

Sincerely,

George T. LaRocca

STOP [STOP!] Read entire label before use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO USE THIS PRODUCT CORRECTLY

Graphic: Showing how NOT to use. **DO NOT** use more than one fogger per room. *Graphic: Showing how NOT to use.* **DO NOT** use in small, enclosed spaces such as closets, cabinets, or under counters or tables. Do not use in a room [area] 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms.

TURN OFF ALL IGNITION SOURCES such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

BEFORE YOU FOG

When treating your garage [or basement], remove all cars and gas powered equipment from the area. Also remove stored gasoline and other flammable liquids. Cover or remove exposed food, dishes and food preparation equipment. Open any cabinets and doors. Shut off fans and air conditioners and turn off all ignition sources as directed above. Remove pets including birds. Cover and turn off fish tanks. Close outside doors and windows.

Appropriate Graphic

TO START FOGGING

1. Place several layers of newspaper or paper towels on a table, stand or floor in center of the [garage or basement]. Cover any waxed wood floors and waxed furniture in the immediate area surrounding the fogger. Newspapers may be used.

Appropriate Graphic

Graphic: Valve locking.

- SHAKE WELL BEFORE USING.** Tilt can top away from face. Press valve all the way down, hooking the catch.
- Set can on newspaper or paper towels and leave the premises immediately. Do not re-enter treated area for two hours.

AIRING OUT

After two hours, open all doors and windows, turn on air conditioner and fans and air out for 30 minutes. Re-apply every eight weeks if needed.

NOTE: When treating for fleas or ticks, clean and treat pet sleeping areas. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to enter the treated areas. For heavy infestations or fleas in deep pile carpeting, re-apply every two to four weeks if needed.

STORAGE AND DISPOSAL

Store in cool, dry area away from heat or open flame. Discard container in trash. Do not incinerate or puncture container.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if absorbed through skin or if inhaled. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after

[Bracketed Text] = Optional Language
