Call 1-800-332-5553 or Visit our Website at [www.spectracide.com](http://www.spectracide.com)

## STOP. READ ENTIRE LABEL BEFORE USE.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For home lawn use only.*

Keep people (other than applicator) or pets off treated areas until spray has dried.

### WHEN TO USE

This product is highly effective when it is used to prevent diseases or applied at the first sign of disease. Start treating when grass begins to turn green in the spring or when signs of diseases are first noticed. For best disease control, treat every 2 weeks.

### RESTRICTIONS

Do not apply more than 13 treatments per year. In Nassau and Suffolk Counties in New York state, do not apply more than 3 times per given area per year.

Do not treat lawns during periods of stress, i.e. heat, drought, flooding, insects, excessive fertilizer, herbicides or pesticide use, etc.

Do not apply when temperatures are above 85°F as injury to lawn can occur.

If it rains before product has dried re-apply.

If you need more information, contact your local County Extension Service.

### HOW TO USE

Determine the size of the area (lawn) to be treated. To calculate square feet, multiply length by width.

Start at the farthest point to be treated and work backward so you don't walk over treated area. Walk at a steady pace and spray using a side to side [arc] motion, slightly overlapping the treated area.

The entire [32 oz.] bottle will treat 3,000 sq. ft. of lawn. Refer to [sight gauge] [Easy-View [Clear-View] measuring window] to

## NOTIFICATION

2/3

guide coverage (when bottle is half empty, you should have covered half the area).

## ENTIRE LAWN

### [HOW TO USE HOSE-END SPRAYER]

1. **Shake container well before using.**
2. Connect a garden hose to the spray ready nozzle. [graphic] Make sure the large round water control dial on the nozzle is in the "OFF" position (tab is vertical). [graphic]
3. Turn on water at faucet. Extend hose to the farthest area of lawn to be treated.  
Twist the small star-shaped product control button to align the flat portion with the lock tab. Push the button in to open. [graphic]
4. To BEGIN spraying, point nozzle towards lawn and turn the large round water control dial to the "ON" position (tab is horizontal). Water will automatically mix with the product. [graphic]
5. Walk at a steady pace while spraying the area.
6. To STOP spraying turn large round water control dial to the "OFF" position. Push in opposite side of small star-shaped product control button to close. Turn star-shaped button so that it is no longer aligned with the flat portion of the lock tab. Turn off water at faucet.  
To relieve pressure, turn large round water control dial to "ON" position and wait until water stops spraying before removing nozzle from hose.
7. To STORE unused product, place in cool area away from heat, direct sunlight or open flame. KEEP FROM FREEZING.

Rainproof – rain or watering 2 hours after application will not wash away effectiveness. [If rainfall occurs within 2 hours of application, the product should be re-applied.]

*NOTE: This product is non-staining to most home siding depending on age and cleanliness. However, before using in areas where the spray may contact home siding (vinyl siding in*

*particular), test in an inconspicuous area and recheck in a few hours. Do not use if any staining is observed.*

## STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a cool, dry area away from heat and open flame. CONTAINER DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses). Harmful if swallowed. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling.

### First Aid

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a Poison Control Center or doctor for treatment advice. **If Swallowed:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling the Poison Control Center or doctor, or going for treatment.

### Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

**NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.**

[\*Guaranteed Results – If you are not satisfied with the product for any reason, send your written request for a refund to the address below, together with the original dated store receipt showing the price you paid. Please allow 6-8 weeks for processing.]

## ALTERNATE HOSE-END SPRAYER DIRECTIONS

1. **Shake container well before using.**
2. Connect a garden hose to the spray ready nozzle. Make sure the dial on the nozzle is in the "OFF" position with the green safety tab in the valve notch.
3. Turn on water at faucet. Extend hose to the farthest area to be treated and work back toward the faucet so you don't come in contact with the treated area.
4. To BEGIN spraying, point nozzle towards lawn and 1.) bend the green safety tab back with your thumb, 2.) using your other hand QUICKLY turn the dial clockwise until it stops. Water will automatically mix with the product.
5. Walk at a steady pace while spraying using an even sweeping motion, slightly overlapping treated areas.
6. To stop spraying, QUICKLY turn the dial in the opposite direction of "ON" until it stops and the safety tab engages the notch on the valve. Turn water off at faucet. To relieve pressure before removing nozzle from hose, bend the safety tab back and turn dial "ON" until water stops spraying.
7. To STORE unused product, make sure the dial is in the "OFF" position with the green safety tab in the valve notch. Place in cool area away from heat, sunlight or open flame. KEEP FROM FREEZING.
