 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 M St., S.W. Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE Registration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: 9688-223	Date of Issuance: NOV 3 2004
	Term of Issuance: Conditional Registration	
	Name of Pesticide Product: Insecticide FR	
Name and Address of Registrant (include ZIP Code): Chemsico, A Division of United Industries PO Box 142642 St. Louis, MO 63114-0642		
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.		
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.		

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, EPA Reg. No.9688-223
 - b. Remove Repellency claims from the label. Cited efficacy studies do not support these claims. Kill claims are acceptable for the pests listed.
3. Within thirty (30) days, agree in writing to submit Viscosity data [830-7100] for this product. If no resubmission is received during this time period, the application will be administratively withdrawn. Submit viscosity data within one (1) year of the date of this letter.
4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

KEEP OUT OF REACH OF CHILDREN

CAUTION See back panel for Precautionary Statements.

Net [Contents] 1 qt (946 mL)

STOP. Read Entire Label Before Use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow pets or people to enter treated area until fog is no longer present and spray deposits have dried.

For reduction in annoyance from flies, mosquitoes and gnats in yards, patios and around swimming pools.

Before application, remove animals from area to be treated. Cover or remove exposed foods during use.

Thermal applications – This formulation is to be used undiluted in only such portable thermal applicator equipment that can deliver spray particle sizes within the aerosol-size range.

Hold thermal applicator at least five feet from any object, especially plants and shrubbery. Avoid wetting any plant foliage. Fog only when there is no breeze, or the wind velocity is less than 3 miles per hour. The ideal time is generally at dusk when the wind dies down and the air temperature and ground temperature are approximately the same. Under these conditions the fog will linger in the treated area for a longer time. Apply fog while moving away from treated area. Avoid inhalation of the fog. Do not enter the treated area until the fog has dissipated. Repeat application when insects return. One quart treats 3,600 square feet.

STORAGE AND DISPOSAL

Storage: Store product in original container in a cool, dry, locked place out of reach of children and pets. **Disposal: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed or absorbed through skin, eyes or clothing. Avoid contact with skin, eyes or clothing. Avoid breathing mist.

First Aid

[If label is small, paragraph format may be used.]
