

 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 1200 Pennsylvania Avenue NW Washington, D.C. 20460</p> <p><b>NOTICE OF PESTICIDE:</b> <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: <b>9688-230</b>	Date of Issuance: <b>10/21/05</b>
	Term of Issuance: <b>Conditional</b>	
	Name of Pesticide Product: <b>Chemsico Aerosol Insecticide LD</b>	
Name and Address of Registrant (include ZIP Code):  <b>Chemsico, Division of United Industries Corp. P.O. Box 142642 St. Louis, MO 63114-0642</b>		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:</p> <ol style="list-style-type: none"> <li>1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.</li> <li>2. Make the following labeling changes before you release the product for shipment: <ol style="list-style-type: none"> <li>a. Revise the EPA Registration Number to read: "EPA Registration No. 9688-230"</li> </ol> </li> </ol>		
Signature of Approving Official:  <b>George LaRocca</b> Product Manager (RM 13) Insecticide Branch Registration Division (7505C)	Date:  <b>October 21, 2005</b>	

- b. Submit or cite supporting data for the addition of residual claims to the label:  
Residual claims for the pests listed on the label are not acceptable on the basis of the data submitted. The data indicate that the product provides little, if any residual efficacy, when applied to porous surfaces (plywood sheeting). However, these data support the direct spray uses for this product, but deficiencies in the experimental design make evaluation of residual claims impossible at this time. Label claims for direct spray, kill of the following insects are acceptable:
  - Ants (with the exception of Fire, Harvester, and Pharaoh's Ants)
  - Cockroaches
  - Fleas
  - Spiders (including Black Widow and Brown Recluse spiders)
  - Crickets
  - Firebrats
  - American Dog Tick
  - Scorpions
  
- c. Remove the following label claims:
  - Unique – Comparative claim is not acceptable.
  - Dead on...Every Time! – Implies enhanced efficacy.
  - Kills bugs you don't see – Residual Claim.
  - [up to 2, 4, 6 weeks] (throughout label) – Residual Claim.
  - Keeps [On] Killing [for up to [6 weeks]] – Residual Claim.
  - [Protects][Continues to kill] up to 6 weeks – Residual/Control Claim.
  - Keeps killing [controlling] ants (including Carpenter ants) for up to 6 weeks. – Residual/Control Claim.
  - Keeps killing up to [2, 4, 6 weeks] – Residual Claim.
  - Up to [2, 4, 6 week] [Control][Protection][Killing action] Helps protect Your Home from [Roaches][and][&][Ants] – Residual/Control Claim.
  - Brown Dog Ticks – No data submitted.
  
- d. Remove all claims under "Optional Marketing Language", except:
  - "It also kills spiders and other listed species."
  - Kills [bugs fast] on contact.
  
- e. Limit the marketing claims of "New!" and "New Formula" to 6 months from the date of first distribution.
  
- f. Under Precautionary Statements, delete the word "*skin*" from the statement "Avoid contact with *skin*, eyes or clothing", since this route of exposure is Toxicology Category IV.
  
- 3. Submit to the Agency, data on one year storage stability testing (830.6317), and corrosion characteristics study (830-6320) at 0, 3, 6, 9 and 12 months of warehouse storage.
  
- 4. Submit two (2) copies of the revised final printed label bearing the above stated revisions prior to releasing this product for sale.

Please see enclosed Agency "Product Performance/Efficacy Review" for detailed information on our comments on the subject product performance. If you fail to comply with the above stated conditions, this registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A copy of the stamped label is enclosed for your records. If you have any questions concerning this action, please contact Dr. B. A. Akinlosotu at (703) 605-0653.

KEEP OUT OF REACH OF CHILDREN

CAUTION See back for additional precautionary statements

NET WT. 12 oz (340 g)

### OPTIONAL MARKETING LANGUAGE

[Chemsico Aerosol Insecticide LD [also] stays on treated surfaces providing insect protection for up to [2, 4, 6] weeks.

[Chemsico Aerosol Insecticide LD [kills] [controls] ants (including carpenter ants), roaches, and crickets, for up to [2, 4, 6 weeks]. It also kills brown dog ticks, fleas, spiders and other listed insects.]

[Chemsico Aerosol Insecticide LD] kills roaches [bugs] [insects] in two ways:

1. Kills [bugs fast] on contact
2. Keeps on killing [with residual action after you spray], [up to 6 weeks]]

### STOP! READ ENTIRE LABEL BEFORE USE.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For indoor residential use only.*

#### HOW TO USE

**Shake well before using.** Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product. Point spray away from people, pets and plants. Do not use as a room spray. Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food contacting surfaces. Thoroughly wash dishes, utensils and counter tops with soap and water if they are sprayed with this product.

#### WHERE TO USE

Indoors as spot treatment for control of **Cockroaches, Ants, Carpenter Ants, Spiders, Crickets, Firebrats, Scorpions and Silverfish.** Direct spray into cracks and crevices in walls, dark corners of rooms, cabinets and closets, along and behind baseboards, beneath and behind sinks, stoves, refrigerators and cabinets, around plumbing and other utility installations, around waste containers and wherever else these pests may find entrance. [Kills returning insects for up to 6 weeks]. Spiders and scorpions must be sprayed directly to be killed.

**For control of Fleas and Brown Dog Ticks,** spray infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor coverings where these pests may be present. Test inconspicuous sample of fabric or rug for staining before use. Old bedding of pets should be removed and cleaned or replaced with clean, fresh bedding after treatment of pet area. **Do not treat pets with this product.** To control the source of flea infestations, treat your pet with a product registered for animal application [such as . . .]. Also treat your yard with a product registered for yard application [such as . . .].

**STORAGE AND DISPOSAL**

Store in cool, dry area away from heat or open flame. Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**PRECAUTIONARY STATEMENTS****Hazards to Humans and Domestic Animals**

**CAUTION:** Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

**First Aid**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. Have the product container with you when calling a Poison Control Center or doctor, or going for treatment.

**Note to Physician:** Contains petroleum distillates – vomiting may cause aspiration pneumonia.

**Physical or Chemical Hazards**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130° F may cause bursting.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**Questions or comments?** Call 1-800-332-5553 [or visit our website at [www.spectrumbrands.com](http://www.spectrumbrands.com)]

[Contains NO CFC's or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.]

[\*If you are not satisfied with this product for any reason send your written request for a refund to the address below, together with the dated store receipt showing the price you paid. Please allow 6-8 weeks for processing]

**OPTIONAL FORMAT - SIMPLIFIED DIRECTIONS****Kills**

Cockroaches [Roaches]	Spiders
Ants	Firebrats
Carpenter Ants	Silverfish
Crickets	Fleas
	Scorpions

**STOP.** Read entire label before use.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For indoor residential use only.*

**Use Chemsico Aerosol Insecticide LD as a spot treatment indoors**

- > Along & Behind Baseboards [graphic depicting use]
- > Around & Beneath Appliances [graphic depicting use]
- > Beneath & Behind Sinks [graphic depicting use]

**Other Areas Where Insects Are Often Found**

In cracks and crevices	Around pipes and plumbing
In dark corners of rooms, cabinets and closets	Around waste containers

**HOW TO USE**

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product. [Alternate: Spray surfaces until wet, but avoid excessive wetting and waste of product.]
4. When treating for ants, spray around door and window frames. Also treat other entry points and trails. [Kills returning insects for up to 6 weeks.]
5. Spiders and scorpions must be sprayed directly to be killed.

**NOTE:** Point spray away from people, pets and plants. Do not use as a room spray. Do not allow people or pets to contact treated surfaces until spray has dried. Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food contacting surfaces. Thoroughly wash dishes, utensils and counter tops with soap and water if they are sprayed with this product.
