2. Keeps on killing up to 6 weeks on non-porous surfaces]

\*\*With the exception of Fire, Harvester and Pharaoh's Ants.

### STOP! READ ENTIRE LABEL BEFORE USE.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For indoor residential use only.*

#### HOW TO USE

**Shake well before using.** Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product. Point spray away from people, pets and plants. Do not use as a room spray. Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food contacting surfaces. Thoroughly wash dishes, utensils and counter tops with soap and water if they are sprayed with this product.

#### WHERE TO USE

Indoors as spot treatment for control of **Cockroaches, Ants\*\*, Carpenter Ants Spiders, Crickets, Firebrats, Scorpions and Silverfish.** Direct spray into cracks and crevices in walls, dark corners of rooms, cabinets and closets, along and behind baseboards, beneath and behind sinks, stoves, refrigerators and cabinets, around plumbing and other utility installations, around waste containers and wherever else these pests may find entrance. [Kills returning insects for up to 6 weeks on non-porous surfaces]. Spiders and scorpions must be sprayed directly to be killed.

**For control of Fleas and American Dog Ticks,** spray infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor coverings where these pests may be present. Test inconspicuous sample of fabric or rug for staining before use. Old bedding of pets should be removed and cleaned or replaced with clean, fresh bedding after treatment of pet area. **Do not treat pets with this product.** To control the source of flea and American dog tick infestations, treat your pet with a product registered for animal application [such as . . .]. Also treat your yard with a product registered for yard application [such as . . .].
