Attention: Joyce M. Edwards
Notification Review Coordinator

**Subject: Notification of Alternate Brand Name
Chemsico Aerosol Insecticide LD
EPA Reg. No. 9688-230**

Dear Ms. Edwards:

Enclosed please find our submission to add the following alternate brand name for the subject product:

Eliminator Ant, Roach & Spider Killer2

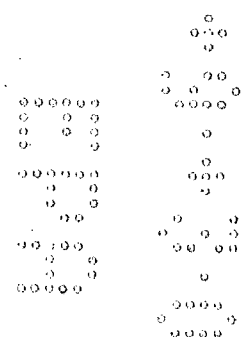

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

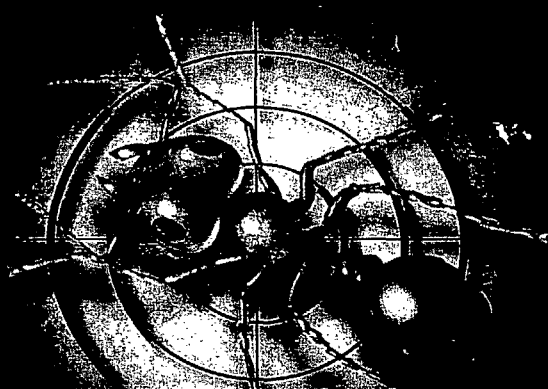

Enclosed is an EPA application form and a copy of the product label. Please call me at 1-800-242-1166, Ext. 2441 you have questions or need further information. Thank you very much for your attention to our application.

Sincerely,

Janice Mitchell

Questions or Comments	Call 1-800-332-5553.

STOP. Read entire label before use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For indoor residential use only. Use Eliminator[®] Ant, Roach & Spider Killer₂ as a spot treatment indoors.

- Along and behind baseboards
- Around and beneath appliances
- Beneath and behind sinks
- In cracks and crevices
- Around pipes and plumbing
- In dark corners of rooms, cabinets and closets
- Around waste containers

NOW TO USE

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product.
4. When treating for ants, spray around door and window frames. Also treat other entry points and trails. Kills returning insects for up to 6 weeks on non-porous surfaces.
5. Spiders and scorpions must be sprayed directly to be killed.

NOTE: Point spray away from people, pets and plants. Do not use as a room spray. Do not allow people or pets to contact treated surfaces until spray has dried.

Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food-contacting surfaces. Thoroughly wash dishes, utensils and countertops with soap and water if they are sprayed with this product.

STORAGE AND DISPOSAL

Store in cool, dry area away from heat or open flame. Do Not Puncture or Incinerate! If empty: Place in trash or other for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

First Aid

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment.
Note to Physician: Contains petroleum distillates - vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

*With the exception of Fire, Harvester and Pharaoh's Ants. Distributed by Chemisco, Div. of United Industries Corp. PO Box 142642, St. Louis, MO 63114-0642

Eliminator[®] is a registered trademark of Wal-Mart.

ALTO. Lea toda la etiqueta antes de usar el producto.

MODO DE EMPLEO

Se considera una violación a la ley federal usar este producto de una manera que no sea la indicada en la etiqueta. Para uso residencial en espacios interiores solamente.

Use el insecticida contra hormigas, cucarachas y arañas Eliminator[®] como tratamiento localizado para espacios interiores

- A lo largo y debajo de bordes inferiores
 - Alrededor y debajo de los electrodomésticos
 - Debajo y debajo de fregaderos
- Otras áreas donde a menudo se encuentran insectos
- En grietas y huecos
 - Alrededor de tuberías y de instalaciones sanitarias
 - En rincones oscuros de habitaciones, gabinetes y closets
 - Alrededor de los botes de basura

CÓMO USAR

1. Agite bien antes de cada uso.
2. Rocíe el producto sobre los insectos para matarlos al contacto.
3. Para un control duradero, trate las áreas donde normalmente se encuentran los insectos. Rocíe las superficies hasta que se humedezcan, moviendo el aerosol rápidamente para evitar mojar excesivamente y que el producto se desperdicie.

4. Para el control de las hormigas, rocíe alrededor de los marcos de puertas y ventanas. Trate también otros lugares de entrada y los caminos de hormigas.

Mata los insectos que vuelven hasta por 6 semanas en superficies no porosas.

5. Las arañas y escorpiones se deben rociar directamente para eliminarlos. **NOTA:** Dirija el rocío lejos de las personas, las mascotas y las plantas. No lo use para rociar habitaciones. No permita que las personas ni las mascotas entren en contacto con las superficies tratadas hasta que el rocío se haya secado.

Antes de rociar, retire las mascotas y cubra las peceras. No permita que el rocío entre en contacto con alimentos ni con superficies que entren en contacto con alimentos. Lave muy bien con agua y jabón los platos, utensilios y cubiertas de cocina en caso de que se rocíen con este producto.

ALMACENAMIENTO Y ELIMINACIÓN

Guarde en un lugar fresco y seco, lejos del calor y del fuego. No perforo ni incinere el envase! Si está vacío: Tirelo en la basura u otro lugar para reciclar, si existe esa opción. Si está parcialmente vacío: Llame a su servicio de eliminación de desechos más cercano para obtener instrucciones de eliminación.

PRECAUCIONES

Riesgos para los seres humanos y los animales domésticos

PRECAUCIÓN. Causa irritación moderada a los ojos. Evite el contacto con los ojos o la ropa. Lávese bien con agua y jabón después de manipularlo y antes de comer, beber, masticar chicle o usar tabaco.

Primeros Auxilios

Si entra en contacto con los ojos: Mantenga los ojos abiertos y enjuague con agua lentamente, con cuidado, durante 15-20 minutos. Si hay lentes de contacto, retírelos después de los primeros 5 minutos. Luego continúe enjuagando los ojos. Llame a un centro de control de envenenamientos o a un médico para recibir instrucciones de tratamiento.

Cuando llame a un centro de control de envenenamientos o a un médico, o intente obtener tratamiento, tenga a la mano el envase del producto. **Nota para el médico:** Contiene destilados de petróleo; los vómitos pueden causar neumonía por aspiración.

Riesgos Físicos o Químicos

Contenido bajo presión. No lo use ni guarde cerca de una fuente de calor ni del fuego. No perforo ni incinere el envase. La exposición a temperaturas superiores a 130°F puede causar explosiones.

NOTA: El comprador asume toda la responsabilidad en caso de no seguir las instrucciones sobre seguridad y modo de empleo.

*A excepción de hormigas bravas, cosechadoras y faraónicas.
