Subject: Label Amendment - Registration Review Mitigation for Cypermethrin
Product Name: Chemsico Aerosol Insecticide CF
EPA Registration Number: 9688-249
Case Number: 478676
Application Dates: June 16, 2021

Dear Morgan Shaffer:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Cypermethrins Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Kelsi Grogan by phone at 202-566-2228, or via email at grogan.kelsi@epa.gov.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kevin Costello". The signature is written in a cursive, flowing style.

Kevin Costello, Branch Chief
Risk Management and Implementation Branch 2

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Apply this product only as specified on this label.

Do not allow to enter indoor or outdoor drains. Follow proper disposal procedures on this label.

No permita la entrada a desagües internos o externos. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

TO USE THIS PRODUCT CORRECTLY

DO NOT USE MORE THAN ONE FOGGER PER ROOM.

DO NOT use in small enclosed spaces such as closets and cabinets or under counters or tables. Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property. DO NOT use in a room 5 ft x 5 ft. or smaller, instead, allow fog to enter from other rooms.

Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames and running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights. Apply this product only as specified on this label.

(Please see Appendix for Pictograms)

General Precautions and Restrictions

Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during treatment. Do not allow adults, children or pets to enter the treated area until vapors, mists and aerosols have dispersed and the treated area has been thoroughly ventilated. Cover any water inhabited by fish (such as aquariums and ornamental fish ponds) during treatment, and turn aquarium systems off. All food-preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed. Do not use in greenhouses where plants are grown for food. Exit area immediately and remain outside the treated area until the area is thoroughly ventilated and until aerosols, vapors or mists have dispersed.

Wait two (2) hours after application, and then open windows, vents and doors for two hours. If an odor is detected additional ventilation is required.

Does not control bed bugs.

BEFORE YOU FOG

(Please see Appendix for Pictograms)

1. **OPEN** cabinets, cupboards, drawers, closets and doors in areas to be treated
2. **REMOVE** or cover exposed foods, dishes, utensils, food-processing equipment and surfaces. **REMOVE** pets and birds and **COVER** and turn off air flow systems in aquariums. **REMOVE** or **COVER** children's and pet toys. **COVER** waxed wood floors and waxed wood furniture in the immediate area surrounding the fogger (newspaper may be used).
3. **CLOSE** outside doors and windows. **SHUT OFF** fans and air conditioners and temporarily disconnect smoke alarms.
4. **TURN OFF ALL FLAMES, PILOT LIGHTS, IGNITION SOURCES** and running electrical appliances that cycle off and on. Call your gas utility or management company if you need assistance.
5. **DO NOT** use fogger in a cabinet or under a counter or table.

TO START FOGGING

(Please see Appendix for Pictograms)

1. Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels. **SHAKE WELL BEFORE USING.** Tilt sprayer **AWAY** from face (fogger sprays up).
2. Press valve all the way down, hooking the catch. Do not inhale the spray mist. Set fogger on newspapers or paper towels and leave the premises [home] immediately.
3. Close door(s) and hang "Fogger in Use" tag on door knob. **KEEP TREATED AREA CLOSED AND DO NOT RE-ENTER FOR AT LEAST TWO HOURS.** Keeping treated area sealed for a longer period will enhance fogger performance.

Vacate the treated house, individual apartment unit or other structure immediately.

AFTER FOGGING

(Please see Appendix for Pictograms)

AIRING OUT:

BEFORE REOCCUPYING THE AREA, OPEN ALL DOORS AND WINDOWS, TURN ON AIR CONDITIONER AND FANS AND ALLOW TREATED AREA TO AIR OUT FOR TWO HOURS. Turn on smoke alarms and aquariums.

NOTE: When treating for fleas or ticks, clean and treat pet sleeping areas. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to re-enter the treated areas.

STORAGE AND DISPOSAL

Storage: Store in cool, dry area away from heat or open flame. Do Not Puncture or Incinerate! **Disposal: If empty:** Place in trash or offer for recycling if available.

If partly filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for local disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse. Breathing spray mist may be harmful.

First Aid

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

Hot Line Number: Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact 1-800-332-5553 for emergency medical information.

Note to Physician: Contains petroleum distillates- vomiting may cause aspiration pneumonia.

Physical or Chemical Hazards

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this [label] [box] [can] very carefully. Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate. Exposure to temperature above 130°F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
