U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

EPA Reg. Number: 9688-254

Date of Issuance: JUN 20 2007

Term of Issuance: Conditional

Name of Pesticide Product: Chemsico Aerosol Insecticide GBR

NOTICE OF PESTICIDE:

- X Registration
Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):

Chemsico Division of United Industries
P.O. Box 142642
St. Louis, MO 63114-0642

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A), provided that you:

- 1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c) (5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:

a. Revise the EPA Registration Number to read "EPA Registration Number 9688-254."

b. The physical and chemical hazard statements on the label must be revised to read "Contents under pressure." Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130 degrees fahrenheit may cause bursting."

Signature of Approving Official:

Date:

2/5

page 2

EPA Reg. No. 9688-254

c. Add to the Hazards to Humans and Domestic Animals section "Contains petroleum Distillate."

d. Even though the oral route of exposure is toxicity category IV please add the following statements: "IF Swallowed:- Immediately call a poison control center or doctor. - Do not induce vomiting unless told to do so by a poison control center or doctor. - Do not give any liquid to the person. - Do not give anything by mouth to an unconscious person. These statements are required due to the petroleum distillate concentration of this product.

e. Change "Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment." to "NOTE TO PHYSICIAN: May cause an aspiration pneumonia hazard. Contains petroleum distillate. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information."

f. The data do not support inclusion of brown recluse spiders on the label. Therefore, remove spiders from the label.

g. Change ticks to "Brown dog ticks" throughout the label. The data submitted does not support generic "tick" claims.

h. The current tests provide information on carpenter ants and Pharaoh ants only. Therefore change the ants claim to read "Ants (except fire ants)".

i. German cockroaches - 4 weeks of control is acceptable. A longer claim on non-porous surfaces is not supported because the mean value of control on ceramic and vinyl tile is less than 90% at 6 weeks. A general cockroach claim of 6 weeks is acceptable based on the data for German and brown-banded cockroaches considered together. An 8 week claim is not acceptable. Therefore revise the residual claims on the label to read "Keeps on killing cockroaches for up to six weeks". Delete reference to 2 months or qualify it to pertain to house crickets on non porous surfaces.

j. No residual control claims are acceptable for black carpenter ants.

k. For house crickets: 8 weeks on non-porous surfaces and 4 weeks on all surfaces are acceptable.

l. For brown-banded cockroaches: 8 weeks control is acceptable.

m. On the front panel add "For Indoor Household/Residential Use Only". And delete the statement beginning "Do not use in commercial food handling establishments restaurants... etc."

3/5

page 3

EPA Reg. No. 9688-254

n. Delete the claims 1) "Dead- on Every Time". Claims implying total eradication or elimination of pests are not acceptable., 2) "No unpleasant odor, No unpleasant residual odor, odorless". These claims are subjective depending on who you ask and also imply safety claims. 3) Either delete "Treats 20% more area than 5000 cubic foot foggers" or qualify by adding the container size i.e. "... 20% more than 5 ounce 5000 cubic foot foggers."

o. The word "New" can be used on labeling produced for a period of six months from the date of this Registration Notice.

ACUTE TOXICITY REVIEW

STUDY	MRID	CATEGORY	CLASSIFICATION
Acute Oral	46997904	IV	Acceptable
Acute Dermal	46997905	IV	Acceptable
Acute Inhalation	46997906	IV	Acceptable
Eye Irritation	46997909	III	Acceptable
Dermal Irritation	46997907	III	Acceptable
Dermal Sensitization	46997908	Negative	Acceptable

A copy of the reviews are enclosed for your records.

3. You must generate studies corresponding to guidelines 830.6317 (one year storage stability) and 830.6320 (corrosion characteristics). You are required to generate the one year storage stability study under warehouse conditions. The observations must be made at 0, 3, 6, 9, and 12 months intervals. The corrosive characteristic study may be carried at concurrently. The results must be submitted to the Agency along with and electronic format also.

4. Please note that a notice of availability of EPA's registration eligibility document (RED) for product containing Cypermethrin was published in the FR on August 16, 2006 (Vol 71 No 158 page 47210-47212). Additional data and/or labeling changes may be required for products containing Cypermethrin.

5. Please submit two (2) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

Quick Facts	<ul style="list-style-type: none"> • Fast acting - works in two hours • [Long Lasting-]Keeps killing hidden bugs up to 2 months • [Clean]Non-staining, odorless, no messy residue
How it works	Dispenses a fine penetrating mist that reaches deep into cracks and crevices to flush out and kill hidden bugs on contact.
Kills	[Carpenter, pharaoh]Ants, Black Carpet Beetles, Crickets, Earwigs, Firebrats, Fleas, Gnats, Houseflies, Mosquitoes, Palmetto Bugs, Pillbugs, Rice Weevils, Roaches, Saw Toothed Grain Beetles, Silverfish, , Small Flying Moths, Spiders, Ticks, Waterbugs,
Where to use	In enclosed spaces such as: Apartments, Attics, Basements, Barns, Boat Cabins, Cabins, Campers, Crawl Spaces, Garag Homes, Households, Sheds, Storage Areas, Trailers.
Coverage	Each can covers 6,000 cubic feet of unobstructed space (25ft x 30ft. with 8ft. ceiling). Do not use in rooms 5 ft x 5 ft or smaller; instead, allow fog to enter from other rooms.

Chemsico Aerosol Insecticide GBR creates a fine penetrating mist that reaches deep into cracks and crevices to flush out and kill hidden bugs on contact. When used as directed the clear, odorless, non-staining formula will not harm drapes, upholstery, fabrics, carpeting, bedspreads, floor tiles, wood floors, linens, furniture, walls, clothing, ceilings, shades or blinds. Kills both flying and crawling insects on contact and keeps killing for up to 2 months.

STOP. Read entire label before use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with labeling.

Apply this product only as specified on this label. Do not use in commercial handling establishments, restaurants or other areas where food is commonly prepared, processed or served.

DO NOT USE MORE THAN ONE FOGGER PER ROOM. DO NOT use in small enclosed spaces such as closets, cabinets or under counters or tables. DO NOT use in a room 5 ft. x 5 ft or smaller; instead allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames and running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights. Apply this product only as specified on this label.

[Bracketed Text] = Optional language

BEFORE YOU FOG

1. [icon] **OPEN** cabinets, cupboards, drawers, closets and doors in areas to be treated
2. [icon] **REMOVE** or cover exposed foods, dishes, utensils, food processing equipment and surfaces. **REMOVE** pets and birds, **COVER** and turn off air flow systems in aquariums. **REMOVE** or **COVER** children's and pet toys. **COVER** waxed wood floors and waxed wood furniture in the immediate area surrounding the fogger (newspaper may be used)
3. [icon] **CLOSE** outside doors and windows. **SHUT OFF** fans, air conditioners and temporarily disconnect smoke alarms.
4. [icon] **TURN OFF ALL FLAMES AND PILOT LIGHTS.** Call your gas utility or management company if you need assistance.
5. [icon] **DO NOT** use fogger in a cabinet or under a counter or table.
6. [icon] Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels.

TO START FOGGING

1. [icon] **SHAKE WELL BEFORE USING.** Tilt sprayer **AWAY** from face (fogger sprays up). Press valve all the way down, hooking the catch. Do not inhale the spray mist.
2. [icon] Set fogger on newspapers or paper towels and leave the premises [home] immediately.
3. [icon] **KEEP TREATED AREA CLOSED FOR AT LEAST TWO HOURS.** Keeping treated area sealed for a longer period will enhance fogger performance.

AFTER FOGGING

[icon] **AIRING OUT: BEFORE REOCCUPYING THE AREA. OPEN ALL DOORS AND WINDOWS, TURN ON AIR CONDITIONER AND FANS AND ALLOW TREATED AREA TO AIR OUT FOR 30 MINUTES.** Turn on smoke alarms and aquariums.

Note: When treating for fleas and ticks, clean and treat pet sleeping areas. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to reenter the treated areas.

STORAGE AND DISPOSAL

Storage: Store in cool, dry area away from heat or open flame. Do Not Puncture or Incinerate! **Disposal: If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency [or 1-800-CLEANUP] for disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse.

First Aid

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

If in Eyes: Hold eyes open and rinse slowly and gently with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

Physical or Chemical Hazards

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this [label] [box] [can] very carefully. Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate. Exposure to temperature above 130°F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with direction.
