JUN 11 2007

Term of Issuance:

Conditional

Name of Pesticide Product:

CHEMSICO Insecticide
 Dust D

Name and Address of Registrant (include ZIP Code):

CHEMSICO
 Division of United Industries Corporation
 St. Louis, MO 63114-0642

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is Conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use around the home only.*

Allow dust to settle in treated areas before reentering.

HOW TO USE

[TO APPLY AS A SHAKER: Hold container 12-18" above mound. Tilt container to use multiple holes. Thoroughly apply dust to adequately cover mound and around the perimeter (18" from the outer edge of the mound). Do not water in. Do not disturb the mound prior to application. If possible treat all colonies [mounds] in the vicinity.]

[TO MEASURE AND APPLY: Sprinkle 1 [Tablespoon][Tbsp.] of dry powder over each mound. Do not water in. Do not disturb mound during application. Do not use food utensils for food use after measuring pesticides.]

For best results, apply in morning or evening hours. At these times, fire ants are closer to the surface virtually assuring the product will contact them.

STORAGE AND DISPOSAL

Storage: Store in a cool dry area away inaccessible to children. **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: May be harmful if absorbed through skin. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor for treatment advice.

Environmental Hazards

This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
