Date of Issuance:
APR 15 2008

NOTICE OF PESTICIDE:
X Registration
Reregistration
(under FIFRA, as amended)

Term of Issuance:
Conditional

Name of Pesticide Product:
Chemsico Ant & Roach Control
SDG

Name and Address of Registrant (include ZIP Code):

Chemsico
Division of United Industries Corporation
PO Box 142642
St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) and (B) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
3. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 9688-271"

Signature of Approving Official:

Date:

April 15, 2008

John Hebert, Product Manager (07)
Insecticide-Rodenticide Branch, Registration Division (7505P)

4. Please note that the claim "new" (Optional Marketing claims 3 and 5) on page 2 of the label are allowed on the label for 6 months from the date of registration.

5. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

John Hebert
Product Manager (07)
Insecticide-Rodenticide Branch
Registration Division (7505P)

With COMMENTS
In EPA Letter Dated:
APR 15 2008

Under the Federal Insecticide, Fungicide
and Rodenticide Act, As amended, for the
pesticide Registered under EPA Reg. No:

9688-271

Active Ingredient:
Dinotefuran[N-methyl-N'-nitro-N''-(tetrahydro-3-furanyl)methyl]guanidine] 0.05%
Other Ingredients99.95%

KEEP OUT OF REACH OF CHILDREN

CAUTION See back [panel] for additional precautionary statements

Net Wt. 4 oz (106g)

Outer Carton [Pamphlet] Label

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Precautions

- Keep out of excessive sunlight
- Do not apply to surfaces which may reach excessive temperatures such as hot waterpipes or stoves
- Do not use on surfaces where contact can occur with food or food preparation utensils

ANT CONTROL

Where to Use

Indoors: Apply gel in area where ants are seen. Areas include behind the refrigerator, stove, around water pipes, in crack and crevices, around window frames, along baseboards and shelves [Optional graphic showing bait placement]

Outdoors: Where ants are seen entering the building, directly on ant nests and in cracks and crevices on windows and doorsills. [Optional graphic showing bait placement]

How to Use: Remove cap from the tip of the tube. [Place plunger into rear of tube.] [Insert tube into gel gun.] Place tip at spot where gel is to be applied and [depress plunger][pull trigger]. Apply gel in pea-sized droplets. Inspect gel regularly and replace as needed. Replace cap on gel tip when finished dispensing gel. Use a paper towel to remove unwanted bait placements and then discard in trash.

Note: This product will not control Carpenter, Pharaoh, Harvester or Red Imported Fire Ants.

- [graphic] Ants eat the bait
- [graphic] Ants take the bait back to the colony
- [graphic] Ants die in 24 hours

ROACH CONTROL**Spot Treatment [Optional graphic showing bait placement]**

To apply gel remove cap from tip of applicator tube. [Place plunger into rear of tube]. [Insert into gel gun]. Place tip at spot where gel is to be applied and [depress plunger] [pull trigger]. Apply gel in a ¼ inch diameter spot. Apply 1 spot for every 10 sq ft of treated area. The bait will stick to surfaces that are not greasy or dusty. [For best results,] Do not apply bait to areas recently treated with an insecticide or treat areas with an insecticide where gel has been applied, as this will act as a repellent to the roaches and will reduce the effectiveness of the gel bait. Apply behind and under the following: stove, refrigerators, dishwashers, sinks, shelving in the corners of cupboards, cabinets and closets and in other areas where roaches have been observed. Inspect placements after one month and reapply if gel placements are no longer visible. The gel will remain attractive to roaches and keep killing for up to [three] [3] months. Replace cap on gel tip when finished dispensing gel. Use a paper towel to remove unwanted bait placements and them discard in trash.

Cracks and Crevices [Optional graphic showing bait placement]

Chemsico Roach Control 5DG [This product] can be applied as spots or as a line along cracks and crevices. Place the applicator tip directly into cracks and crevices and place gel in small spots of in a continuous bead. Bait should be in the void area and not on open or exposed surfaces.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry area away from heat or open flame. **Disposal: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION. Wash thoroughly with soap and water after handling.

Environmental Hazards

This product is toxic to shrimp and aquatic invertebrates. Do not apply directly to water.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
