Subject: Notification per PR Notice 92-02 –Addition of Acceptable Label Claim concerning
Ozone Depleting Substances
Chemsico Spot Weed Killer TFA
EPA Reg. No. 9688-292
Application Dated – December 12, 2011

Dear Ms. Goldberg:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 92-02 for the subject product.

The Registration Division (RD) has conducted a review of this request for its applicability under PRN 92-02 and finds that the action requested falls within the scope of PRN 92-02. The label submitted with the application has been date-stamped "Notification" and will be placed in our records.

If you have any questions regarding this letter, please contact Maggie Rudick at (703) 347-0257 or rudick.maggie@epa.gov.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kathryn Montague".

Kathryn Montague, Product Manager 23
Herbicide Branch
Registration Division (7505P)

Please read instructions on reverse before completing form.

Call 1-800-332-5553 or visit our website www.website.com

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people or pets to enter the treated area until sprays have dried.

• Shake well before each use

• Spray just enough product to lightly cover weeds. **Excessive spraying can injure some lawns.** Do not spray weeds growing within the dripline of trees. Do not apply when daytime temperatures are above 85° F as lawn injury can occur

• Spray only the weeds not the entire lawn

• Weeds will begin wilting and browning overnight

• Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

USE RESTRICTIONS

- Limited to 2 spot treatments per year (a spot application is defined as an area no greater than 1000 sq. ft. per acre)
- Minimum of 30 days between applications
- Maximum of .046 lbs ae 2, 4-D [(list product amount in fl. Oz)] per 1000 sq. ft.

4097

PRECAUTIONS

- Some hard-to-kill weeds may require re-treatment. Wait at least 30 days between applications — some weeds can take that long to die.
- Do not water treated area within 6 hours after application or apply if rain is expected that day.
- Do not use this product on or near desirable plants, including within the dripline of the roots of desirable trees and shrubs, since injury may result. Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays and oceans. Do not apply when windy. To prevent product runoff, do not over-water the treated area(s) to the point of runoff or apply when raining or when rain is expected that day.

STORAGE AND DISPOSAL

Pesticide Storage: Store in a cool dry area away from heat or open flame. **Pesticide Disposal and Container Handling:** Do Not Puncture or Incinerate. Nonrefillable Container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION: Avoid contact with clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. **If on Skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting

Environmental Hazards

This product is toxic to fish and aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and non-target plants. Do not apply directly to water. Do

not contaminate water when disposing of equipment washwaters. Do not contaminate domestic or irrigation waters. Do not apply when weather conditions favor drift from target area.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

[*] GUARANTEED RESULTS OR YOUR MONEY BACK

If you are not satisfied with this product for any reason send your written request for a refund to the address below, together with the dated store receipt showing the price you paid. Please allow 6-8 weeks for processing]

[Contains NO CFC's or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.]
