U.S. ENVIRONMENTAL PROTECTION
AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under the Federal Insecticide,
Fungicide, and Rodenticide Act, as
amended)

EPA Reg.
Number:
9688-315

Date of
Issuance:
SEP - 3 2013

Term of Issuance:
Unconditional

Name of Pesticide Product:
Chemsico Aerosol Insecticide GI

Name and Address of Registrant (include ZIP Code):

Chemsico
P.O. Box 142642
St. Louis, MO 63114-0642

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This action is taken under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Registration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Terms of Registration

1. EPA has registered the product listed above provided that the following change is made to the label before you release the product for shipment:
 - a. Revise the EPA Registration Number to read "EPA Registration Number 9688-315".

Signature of Approving Official:

Refer to page #2.

Richard Gebken, Product Manager (10)

Date:

SEP - 3 2013

Page 2

EPA Registration No. 9688-315

2. You must generate a one year storage stability and corrosion characteristics study corresponding to guideline 830.6317 on the proposed product. It is required that the observations be made at 0, 3, 6, 9, and 12 month intervals. The results must be submitted to the Agency in electronic and hard copy format.

3. You must submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data, and submit acceptable responses required for registration review of your product under FIFRA.

4. Two copies of the finished labeling must be submitted prior to releasing the product for shipment. If you fail to comply with all of the **Terms of Registration** stated above, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e) and/or automatically expire. Your release for shipment of the product constitutes your acceptance of these conditions.

A copy of your label stamped "Accepted" is enclosed for your records. If you have any questions concerning this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

Sincerely yours,

Richard Gebken

Product Manager (10)

† German cockroaches

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use inside the home only.

HOW TO USE

Snake well before using. Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product. Point spray away from people, pets and plants. Do not use as a room spray.

Do not allow the spray to contact food or food contacting surfaces. Exposed food should be covered or removed before application. Thoroughly wash dishes, utensils and counter tops with soap and water if they are sprayed with this product. Do not allow people or pets to contact treated surfaces until spray has dried. Remove pets and cover aquariums before spraying.

INDOORS

For Spot Treatment Only - [Kills] Cockroaches, Ants*, Carpenter Ants, Spiders (including Black Widow and Wolf Spiders), Crickets, Firebrats and Silverfish. Direct spray [by placing extension tube in the horizontal position] into cracks and crevices in walls, dark corners of rooms, cabinets and closets, along and behind baseboards, beneath and behind sinks, stoves, refrigerators and cabinets, around plumbing and

other utility installations, around waste containers and wherever else these pests may find entrance. Spiders (including black widow and wolf spiders) must be sprayed directly to be killed.

* Excluding Pharaoh ants and Fire ants

[Kills] Fleas and Brown Dog Ticks, spray infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and doorframes and localized areas of floor coverings where these pests may be present. Test inconspicuous sample of fabric or rug for staining before use. Old bedding of pets should be removed and cleaned or replaced with clean, fresh bedding after treatment of pet area. Do not treat pets with this product. To control the source of flea infestations, treat your pet with a product registered for animal application.

[Kills] Carpet Beetles, spray along baseboards and edges of carpeting, under carpeting, rugs and furniture, in closets and on shelves and wherever else these insects are seen or suspected. Test inconspicuous sample of fabric or rug for staining before use. Note: Check carpet manufacturer's warranty and care and maintenance information before using product on your specific brand of carpeting.

STORAGE AND DISPOSAL

Pesticide Storage: Store in a cool, dry area away from children. Pesticide Disposal and Container Handling: Do Not Puncture or Incinerate: If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes skin irritation. Do not get on skin or clothing. Wear long-sleeved shirt, long pants, shoes, socks and chemical resistant gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. Have the product container with you when calling a Poison Control.
