

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (7504P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460-0001

EPA Reg. Number:

9688-319

Date of Issuance:

JAN 16 2014

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:
Unconditional

Name of Pesticide Product:
Chemsico Aerosol Insecticide GSF

Name and Address of Registrant (include ZIP Code):

CHEMSICO,
 Division of United Industries Corporation
 P.O. Box 142642
 St. Louis, MO 63114-0642

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with section 3(c)(5) of FIFRA provided that you:

1. Submit and/or cite all data required for registration of your product under section 3(c)(5) of FIFRA when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under section 4 of FIFRA.

(continued on page 2)

Signature of Approving Official:

Refer to Page #2.

Richard J. Gebken, Product Manager (10)
 Insecticide Branch, Registration Division (7504P)

Date:

JAN 16 2014

2. Make the following change(s) to the subject label:

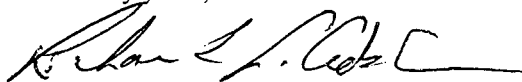

a. Change the product registration number to "EPA Reg. No. 9688-319"

Conditional Data Requirements:

- 1. Within one (1) year from the date of this registration, CHEMSICO must submit a One Year Storage Stability (830.6317) study and a Corrosion Characteristics (830.6320) study on this product in support of this registration. CHEMSICO must conduct these studies in commercial containers, and it is recommended that the observations be made at 0, 6, 9, and 12 month intervals.
- 3. You must submit two (2) copies of the revised final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

Copies of your label stamped "Accepted" as well as the acute toxicity review, product chemistry review, and similarity clinic memorandum completed for this product are enclosed for your records. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- **THIS PRODUCT IS FOR OUTDOOR RESIDENTIAL USE ONLY.**
- Not for use in outdoor residential misting systems (indoor or outdoor) or outdoor metered release devices.
- This product is not for direct application to pets/companion animals (e.g., dogs, cats, puppies, or kittens).
- Do not wet plants to the point of run-off or drip.
- Do not water the treated area to the point of run-off.
- Do not apply when windy. To prevent product run-off, do not over water the treated area(s). Do not make applications during rain or when rain is expected. Rinse applicator over lawn or garden area only.
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- All outdoor applications, if permitted elsewhere on this label, must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses, if allowed elsewhere on this label: (1) Applications to the side of a building, up to a maximum height of 3 feet above grade; (2) Applications to underside of eaves, soffits, doors, or windows permanently protected from rainfall by a covering, overhang, awning, or other structure; (3) Applications around potential pest entry points into buildings, when limited to a surface bar not to exceed one inch in width; and (4) Applications made through the use of coarse, low pressure spray to only those portions of surfaces that are directly above bare soil, lawn, turf, mulch or other vegetation, as listed on this label, and not over an impervious surface, drainage or other condition that could result in runoff into storm drains, drainage ditches, gutters, or surface waters, in order to control occasional invaders or aggregating pests.
- May be applied on day of harvest.
- Do not apply more than 10 times per season.
- Do not apply within 3 days except under extreme pest pressure. In case of extreme pest pressure, do not reapply within 24 hours.
- Application of this product is prohibited directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, storm drains, water bodies,

2/5

or aquatic habitat can occur. Do not allow this product to enter any drain during or after application.

SHAKE BEFORE USING. Hold can 18 to 24 inches from foliage being treated.

Direct the spray so that upper and lower surfaces are contacted. Use caution on new growth and tender foliage. To kill listed insects apply to provide thorough coverage of upper and lower leaf surfaces. Repeat treatment weekly or as needed to control infestations. One 16 oz can treats 20 sq ft (5 ft x 5 ft).
