AND POLLUTION PREVENTION**

September 13, 2023

Michael Sarli
Sr. Director, Regulatory
Chemsico, A Div. Of United Industries Corp.
P.O. Box 142642
St. Louis, MO 63114

Subject: Notification per PRN 98-10 – Add optional marketing graphics and claims
Product Name: Chemsico Aerosol Insecticide 10CE
EPA Registration Number: 9688-348
Application Date: December 19, 2022
Decision Number: 593571

Dear Michael Sarli:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “NOTIFICATION” and placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Elizabeth Andrews at 202-566-2467 or at Andrews.Elizabeth@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kara Welch".

For

Kara Welch, Acting Product Manager 03
Invertebrate & Vertebrate Branch 1
Registration Division (7505T)
Office of Pesticide Programs

CHEMSICO AEROSOL INSECTICIDE 10CE

{ALTERNATE BRAND NAME: Black Flag Spider and Scorpion Killer3}

NOTIFICATION

9688-348

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

09/13/2023

STOP! READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. SHAKE WELL BEFORE EACH USE. Hold can upright. Test inconspicuous sample of fabric, rug, flooring, or other household surface for staining before use. *For residential use only.*

USE RESTRICTIONS

- Do not apply directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Do not allow adults, children or pets to enter the treated area or contact treated surfaces until sprays have dried.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Keep people and pets out of the area during application. Exit area immediately and remain outside the treated area until sprays have dried.
- Do not use this product in or on electrical equipment due to possibility of shock hazard.
- Do not apply directly to or near water, storm drains, gutters, sewers or drainage ditches. Do not apply when windy. Do not water the treated area(s) to the point of runoff, or apply when raining or when rain is expected that day.
- All outdoor applications, if permitted elsewhere on this label, must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:
 1. Treatment to soil or vegetation around structures
 2. Applications to lawns, turf and other vegetation
 3. Applications to building foundations, up to a maximum height of 3 feet.

Outdoor use is limited to spot treatments only. Broadcast applications are prohibited.

INDOOR

TO KILL: [BLACK WIDOW] [BROWN RECLUSE] [WOLF] [SPIDERS,] [BLACK WIDOW SPIDER EGGS AND EGG SACS,] [SCORPIONS,] [ANTS*,] [BOXELDER BUGS,] [COCKROACHES,] [ASIAN LADYBEETLES,] [BEETLES,] [CENTIPEDES,] [CICADAS,] [CRICKETS,] [EARWIGS] [FIREBRATS,] [FLEAS,] [GRASSHOPPERS,] [PALMETTO BUGS] [PILLBUGS,] [SILVERFISH,] [SOWBUGS,] [STINKBUGS,] [TICKS] [AND] [WATERBUGS]

1. Contact as many insects as possible with short bursts of [1 second of] spray in addition to thoroughly treating all parts of the room where these pests may hide. Spray spiders and their webs directly.
2. Pay special attention to cracks, dark corners, hidden surfaces under sinks, behind stoves and refrigerators, food storage areas and wherever these pests are suspected. [Residual activity lasts up to four months.] [The treatment lasts

up to four months.] [The treatment continues to work for up to four months.] 1 ounce of product treats approximately 3.5 sq ft. of surface.

3. To kill **spiders** and prevent them from entering your home, spray around door and window frames, inside and outside. Spray upward to treat active spider webs. Do not remove spider webs and eggs sacs until spray has dried.
4. For **scorpions**, stand at a safe distance and completely cover the pests.
5. To kill **ants***, treat doors, around window frames, ant trails and other areas of entry
6. To kill **fleas**, thoroughly vacuum area to be treated. Treat carpeted areas and baseboards of hard surfaced floors. Evenly apply spray to carpets, rugs, drapes, and surfaces of upholstered furniture by using a wide sweeping motion. Also spray floors underneath furniture, sofas, chairs and beds. Do not saturate surfaces. Treat or thoroughly wash pet bedding, a primary hiding place for fleas. Repeat as necessary. **Do not spray humans or pets with this product.**

OUTDOOR

TO KILL [BLACK WIDOW] [BROWN RECLUSE] [WOLF] [SPIDERS,] [BLACK WIDOW SPIDER EGGS AND EGG SACS,] [SCORPIONS,] [ANTS*,] [COCKROACHES,] [ASIAN LADYBEETLES,] [BEETLES,] [BOXELDER BUGS,] [CENTIPEDES,] [CICADAS] [CRICKETS,] [EARWIGS,] [FIREBRATS,] [FLEAS] [GRASSHOPPERS,] [MILKWEED BUGS,] [PALMETTO BUGS] [PILLBUGS,] [SILVERFISH,] [SOWBUGS,] [STINKBUGS,] [TICKS] [AND] [WATERBUGS]

- 1 Thoroughly spray infested weeds or bushy non-crop areas.
- 2 For **scorpions**, carefully remove accumulated firewood, lumber, and other materials where scorpions like to hide (be sure to wear work gloves.) Treat beneath and next to the infested areas. When directly treating scorpions, stand at a safe distance and thoroughly cover the pests with a short burst [of 1 second] of product.
- 3 To kill **ants***, thoroughly wet hills and runways.
- 4 Treat around windows and doors, porches, screens eaves, patios, garages, under stairways and in crawl spaces where these pests [ticks] may enter.
- 5 Treat a band of vegetation and leaf litter 6 to 10 feet wide around the outside of building to help control pests [ticks] from occurring there.
- 6 To help control pest [ticks] in outdoor activity areas, treat a band of vegetation and leaf litter 6-10 feet wide and adjacent to activity areas, especially where dense vegetation occurs. 1 ounce of product treats approximately 3.5 sq ft of area.

*Excluding Pharaoh Ants

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry (preferably locked) place that is away from heat or open flame, and in an area that is inaccessible to children and pets.

Pesticide Disposal and Container Handling: Do not Puncture or Incinerate! **If**

empty: Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment.

Environmental Hazards

This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean water mark. Do not apply when weather conditions favor drift from treated areas. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water when disposing of equipment wash waters

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are foraging the treatment area.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130° F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

Questions or comments? Call 1-800-332-5553.

[Contains NO CFC's or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.]

[***If you are not satisfied with this product for any reason send your written request for a refund to the address below, together with the dated store receipt showing the price you paid. Please allow 6-8 weeks for processing]
