

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505T)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

9688-357

Date of Issuance:

9/17/26

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Chemsico Ant Control I-II

Name and Address of Registrant (include ZIP Code):

Chemsico, A Division of United Industries Corp.
P.O. Box 142642
St. Louis, MO 63114

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. You have 18 months from the date of registration to provide these data.

Signature of Approving Official:

Tamica Cain, Product Manager 10
Invertebrate & Vertebrate Branch 2
Registration Division (7505T)

Date:

9/17/26

3. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 9688-357."
4. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSF(s):

- Basic CSF dated 09/12/2023
- Alternate CSF 1 dated 09/12/2023
- Alternate CSF 2 dated 09/12/2023
- Alternate CSF 3 dated 09/12/2023

If you have any questions, please contact Briana Hanlon at (202) 566-2716 or at hanlon.briana@epa.gov.

STOP. READ ENTIRE LABEL BEFORE USE.**PRECAUTIONARY STATEMENTS****Hazards to Humans and Domestic Animals**

CAUTION. Wash hands thoroughly with soap and water after handling bait stations and before eating, drinking, chewing gum, using tobacco products, or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW TO USE: *{Directions may be denoted with bullets or numbered}*

- ✓ Peel [Cut] [foil] [backing] [along perforations] to remove bait stations [[and adhesive [strip[s]].
- ✓ *{OPTION 2A:}* Place bait stations [horizontally or vertically] where ants have been seen [where you see ants trail [travel] [and enter your home] [along baseboards, in corners, on countertops, in windowsills, in cabinets, by sinks, doors, etc.]
- ✓ *{OPTION 2B:}* Place bait stations along ant trails [or in out-of-the-way places] near walls, in cabinets, and under sinks and refrigerators. [Heavily infested areas may require multiple bait stations for best results].
- ✓ *{OPTIONAL:}* Do not use [bug] insect [ant] [killer] spray where baits are placed. Spray limits ant activity [repels ants] in treated areas. Ants must access the station to be effective [to work].
- ✓ *{OPTIONAL:}* To secure in place [For adhesive [strip] application], peel [remove] [backing from one side of the] [double-sided] [removable] adhesive [strip] and apply to [the] flat side of the [bait] station.
- ✓ *{OPTIONAL:}* [Then] Peel [Remove] [the second adhesive [strip] backing and apply [press] [place] [bait] station to the surface [to secure in place]. Hold [Press] [apply light pressure] for a few seconds to ensure adhesion.
- ✓ *{OPTIONAL:}* Apply [with] [adhesives] on [to] [drywall], hardwood floors, painted wood, unpainted wood, stained baseboard & porcelain [tile].
- ✓ *{OPTIONAL:}* For best results, use multiple bait stations to ensure sufficient baitsupply.
- ✓ Monitor ant activity and replace bait [stations] [for a new one] as needed.
- ✓ *{OPTIONAL:}* Use baits year-round [to help prevent infestations]

{OPTIONAL:}

[[Product Removal with [when] [using] adhesive [is used]:

Grasp bait station and gently pull from surface. For tight spaces, [gently] slide [insert] a flat tool between the [bait] station and surface and [gently apply pressure to] remove.]

{OPTIONAL:}

[[Pro] Tip[s]:

- Do not use insect [bug] [ant] [killer] spray where baits are placed. Spray limits ant activity [repels ants] in treated areas. Ants* must access the station to be effective [to work]. *Except [Excluding] Pharaoh ants, Fire ants, Harvester ants, and Carpenter ants
- Do not use insect [bug] [ant] spray [that kills or repels ants] by baits [bait stations]. Ants* must access the station to eat the bait [to be effective] to work. *Except [Excluding] Pharaoh ants, Fire ants, Harvester ants, and Carpenter ants
- Use baits year-round [to help prevent infestations.]

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place inaccessible to children and pets.

Pesticide Disposal & Container Handling: If empty: Do not reuse bait station [this container]. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
