REREGISTRATION
(Under the Federal Insecticide, Fungicide
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

This is the Way Fine Phosphide
bait for Ground Squirrels

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

25-6644 161
1 18

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under the Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been used by others.

Consistants of similar products to submit such data.

1. Add the phrase "EPA Registration No. 9691-26" to your label before you release the product for shipment.

2. If you are a manufacturer of this product or that within the limits of your control you are a distributor of this product, you must not sell, ship, or otherwise dispose of this product under its former intrastate number (9691-0448).

3. If you are a distributor of this product, you must not sell, ship, or otherwise dispose of this product under its former intrastate number (9691-0448).
