DIRECTIONS

Dust powder well into coat of the cat.
Squeeze bottle to spray dust against
lay of hair. Rub well into fur, especial-
ly around the neck. Repeat once a week
if necessary. VET Scented Flea Powder
for Cats is quick acting on fleas, and
has a long residual effect.

**DO NOT USE ON NURSING CATS, OR ON
KITTENS UNDER FOUR WEEKS OLD.**

CAUTION: Keep away from children.
Harmful if swallowed or inhaled. Avoid
prolonged breathing of dust. Avoid pro-
longed or repeated contact with skin,
wash thoroughly after using. Avoid
storage near food and food products.
