Tw New Twink is a remarkable unique modern cleaner/germicide with a triple action efficiency. Twink quickly restores contaminated surfaces... destroys germs-bacterial odors... and imparts a long lasting invisible protective coating on all polished surfaces... in one easy application! Long-lasting, diamond hard, Twink leaves a dirt repellent barrier which dirt cannot penetrate. It is resistant to weather, finger marking, spotting, dirt, corrosion and rust. Instantly dissolves oil, dirt and grease leaving a spotless, static-free polished surface... germ-proof and stops many objectional odors.

#### DIRECTIONS

1. Spray on surface or apply uniformly with sponge or cloth.
2. Wipe off and polish dry with soft clean dry cloth. To maintain clean transparent sparkling surface, wipe clean with treated Twink cloth or sponge and polish with soft clean dry cloth.

Twink will not turn yellow, nor discolor. Contains no wax... never scratches... never dulls
