

DIRECTIONS

To Clean and Disinfect:

Use 2 ounces per gallon of water on hard surfaces such as floors. Apply solution so that surface is thoroughly wet. Where surface is heavily soiled with organic matter, or where infectious disease germs may have been present, rinse surface and repeat application to secure maximum protection.

To Remove Heavy Soil:

Use 6 ounces per gallon of water on heavily soiled hard surfaces; same on all porous surfaces. Apply solution and let stand 5 minutes. Scrub if necessary. Pick up and rinse in usual manner.

To Deodorize and Sanitize:

Use 1 ounce per gallon of water. Apply to previously cleaned surface and allow at least 2 minutes contact before rinsing.

CAUTION!

Keep out of reach of children. Avoid contamination of food. Harmful if swallowed. Rinse all food handling equipment with clear water before use. Do not mix with soap or anionic detergents. If splashed in eyes, flush with running water. Consult physician if irritation persists.

CARDIFECT DC-1

DISINFECTANT CLEANER

CLEANS • DISINFECTS • DEODORIZES

ACTIVE INGREDIENTS:

n-alkyl (C12 50%, C14 30%, C16 17%, C18 3%)	
dimethyl ethylbenzyl ammonium chloride	1.6%
n-alkyl (C14 60%, C16 30%, C12 5%, C18 5%)	
dimethyl benzyl ammonium chloride	1.6%

INERT INGREDIENTS: * 96.8%

* Includes compatible detergents. 100.0%

PHENOL COEFFICIENTS:

By method of Association of Official Agricultural Chemists at 20 C.

STAPHYLOCOCCUS AUREUS	29
SALMONELLA TYPHOSA	19

APPLICATIONS

Recommended for all maintenance cleaning. Use on floors, walls, toilets, urinals, sinks, refrigerators, refuse cans, showers, locker rooms, medical equipment, telephones, food handling equipment and other washable surfaces where simultaneous cleaning, disinfection and odor control are desired.

Provides excellent cleaning and effective germicidal action against a wide range of infectious organisms including staphylococcus aureus, salmonella typhosa, shigella dysenteriae.

Use in hospitals, industrial plants, schools, institutions, rest homes, dairies, bottling and packing plants, bakeries, public buildings, public vehicles, etc.

Non-toxic and non-irritating in recommended use dilutions.

Net Contents: 55 Gallon(s)
