Caution: Harmful if swallowed. May be absorbed through skin. Avoid breathing dust or spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid storage near feed or food products. Keep out of reach of children.

A N T I D O T E S

If swallowed, give milk or white of egg beaten with water, then a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Repeat the treatment. Call a physician immediately.

If on skin, wash immediately with soap and warm water.

If in eyes, flush with water for at least 15 minutes and get medical attention.
