Pedigree
DOG SHAMPOO
BAR

Pedigree DOG SHAMPOO BAR

CONTAINS LANOLIN

DIRECTIONS: Wet dog thoroughly with warm water. Rub shampoo into coat, starting with head until entire dog is covered with foamy lather. Let lather remain for five minutes. Rinse thoroughly, starting with head to prevent fleas from getting into ears and eyes. For control of fleas and ticks between baths, use Pedigree Flea and Tick powder or spray on dog and bedding.

ACTIVE INGREDIENTS
