

PHYSICAL OR CHEMICAL HAZARDS: Flammable. Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting.

Caution: Avoid breathing of spray mist, contact with skin, contamination of feed and food stuffs. Wash hands thoroughly after using. Keep out of reach of children. Store in cool, dry place.

#### DISPOSAL:

Do not reuse empty container. Wrap container and put in trash collection.

Directions: To operate remove protective cap from top of can. Hold can upright, about 8 to 12 inches from dog's hair. Point opening on side of valve in desired direction for spray. To release spray place finger on top of valve and press down. Move the bomb over the entire animal, using a "Zig-Zag" motion, until the coat is slightly damp.

# SECT-A-KILL

## PET SPRAY

KILLS FLEAS, LICE AND TICKS  
FOR USE ON DOGS AND CATS  
ELIMINATES "DOGGY ODOR"  
HELPS TO KEEP FLEAS AWAY

#### Active Ingredients:

Pyrethrins	0.05%
*Technical Piperonyl Butoxide	0.12%

**CAUTION: KEEP OUT OF REACH OF CHILDREN. SEE ADDITIONAL CAUTIONS ON RIGHT HAND PANEL.**

It may be advantageous, especially on long-haired animals, to rub the hand against the lay of hair, spraying into the ruffled hair directly behind the hand. 28 to 36 seconds to treat a 30 lb. animal. Repeat treatment as necessary, making sure spray wets ticks. Do not use more often than once every 7 days.

Thoroughly spray interior of kennel or other animal sleeping quarters. Also spray bedding and replace with fresh bedding if necessary.

This bomb makes a slight hissing sound and causes a temporary cool sensation. Nervous animals may become frightened the first time this bomb is used but soon become accustomed to the treatment.
