POISON  
(In Red)

**DANGER**

**FIRE HAZARD - FLAMMABLE - KEEP AWAY FROM HEAT OR OPEN FLAME.**

Poisonous if swallowed, inhaled, or absorbed through skin! Rapidly absorbed through skin! Do not get in eyes, on skin, or on clothing. Wear natural rubber gloves, protective clothing and goggles. In case of contact, wash immediately with soap and water. Wear a mask or respirator of a type passed by the U. S. Department of Agriculture for Methyl Parathion protection. Keep all unprotected persons out of operating areas or vicinity where there may be danger of drift. Vacated areas should not be re-entered until drifting insecticide and volatile residues have dissipated. Do not contaminate feed and foodstuffs. Wash hands, arms, and face thoroughly with soap and water before eating or smoking. Wash all contaminated clothing with soap and water before re-use.

This product is toxic to fish and wildlife. Keep out of lakes, streams, and ponds. Apply this product only as specified on this label. Do not apply when weather conditions favor drift of spray from areas treated. Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed by punching holes in them and burying with wastes.
