

RIVERSIDE
(R) Sevin - Zineb
Tomato Dust

ACTIVE INGREDIENTS:

Zineb (Zinc ethylene bisdithiocarbamate) 6.0%
Carbaryl (1-naphthyl N-methylcarbamate) 5.0%
INERT INGREDIENTS 89.0%
TOTAL 100.0%

(R) TM-UCC

Effective for control of tomato insects and diseases, such as:
TOMATO FRUITWORM, TOMATO PINWORM, TOMATO
HORNWORM, TOBACCO HORNWORM, LATE BLIGHT,
EARLY BLIGHT, ANTHRACNOSE, GRAY LEAF SPOT
(STEMPHYLLIUM) SEPTORIA LEAF SPOT.

RATE OF APPLICATION

To be applied at the rate of 20 to 30 pounds per acre depending upon the size of the plants. For the control of late blight, apply at the rate of 50 pounds per acre with a ground duster. Be sure that the underside of plants, as well as the top side, is covered thoroughly at the time of each application. For more specific rates of application, consult your County Agent or Agricultural Experiment Station.

WARNING — AVOID BREATHING DUST — WHEN TAKEN INTERNALLY CALL A PHYSICIAN.

Caution: Keep Out Of Reach Of Children

ANTIDOTE: Emetic of mustard or hydrated oxide of iron and magnesia, a cupful; follow with olive oil or white of eggs, mucilaginous drinks.

If product is applied within 30 days of harvest of food crops, possible residues should be removed by washing, brushing, or other effective means.

For protection of honey bees avoid use, if possible, during periods when honey bees are visiting the crop. When necessary to use during such periods, warn beekeepers well in advance to locate hives at a safe distance until 1 week after application.

CAUTION: Harmful if swallowed! Do not breath dust. Do not take internally. Skin contact may be harmful. Avoid unnecessary contact. Wash hands before eating. Take shower or bath after work. Wear regular long sleeved work clothing. Change to clean clothing daily.

NOTE TO PHYSICIAN: Carbaryl is a moderate reversible, cholinesterase inhibitor. Atropine is antidotal.

Toxic to fish and wildlife. Do not contaminate lakes, streams, or ponds with this material. Apply only as specified on this label.

NON-WARRANTY — Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
