

**DIRECTIONS FOR USE (continued)**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING:** May be fatal if swallowed. May be absorbed through the skin. May be injurious to eyes and skin. Do not take internally. Do not get in eyes or on skin. Wash thoroughly after handling and before eating or drinking. Wash hands thoroughly after use. Flush contaminated eyes with plenty of water and get medical attention. Avoid breathing vapors and spray mist. Keep away from food, feedstuffs and domestic water supplies. Keep container closed. Handle concentrate in a ventilated area. Do not allow children or pets in treated areas until surfaces are dry.

**NOTE TO PHYSICIAN:**

May inhibit salivary cholinesterase activity. Treat symptomatically. Atropine is an antidote.

**STATEMENTS OF PRACTICAL TREATMENT**

**If Swallowed:** Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Have victim drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. **If On Skin:** In case of contact, remove contaminated clothing and immediately wash skin with soap and water. **If In Eyes:** Flush eyes with plenty of water. Call physician. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not use in wet weather. Do not spray drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. This product is not to be used for the treatment of horses, dogs, or cats. Do not apply to lawns, vegetable gardens, or other areas where the treated plants are intended to provide the maximum possible utility without harming the environment.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use in spray or store near heat or open flame.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.  
**Pesticide Disposal:** Pesticide sprays, mixtures, or residue water that cannot be used should be disposed of in accordance with Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.  
**Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reuse, or burn or incinerate if not recyclable. Do not reuse or refill. Follow approved state and local procedures.  
**NOTICE:** Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given hereon.
