

SIDE PANEL

GENERAL INFORMATION

MuniChem POSITIVE WEED CONTROL is a specially formulated non-selective chemical for controlling a wide range of annual and perennial weeds and grasses. It is recommended for use only on non-cropland areas such as parking lots, roadsides, railroad rights-of-way and industrial sites. The degree of control and duration of results will vary with the amount of MuniChem Positive Weed Control applied, soil type, rainfall and other conditions. Especially suitable for municipal weed control and for barren soil.

DIRECTIONS

To control most weeds and grasses on non-cropland areas such as parking lots, roadsides, railroad rights-of-way and industrial sites for an extended time, apply 43.5 gallons per acre of undiluted MuniChem Positive Weed Control after the most predominant weeds have been emerged. No agitation is required. MuniChem Positive Weed Control should be applied with railroad on-track, truck mounted, or other standard spraying equipment. For treating small areas, a tank-type hand sprayer or sprinkling can may be used.

Users should consult experiment station or extension service weed specialists for recommendations as to use of MuniChem Positive Weed Control in their particular area or contact MuniChem service representatives.

CAUTION

Do not apply MuniChem Positive Weed Control directly to, or otherwise permit it to come into contact with susceptible plants such as vegetables, flowers, fruit trees, ornamentals, cotton, grapes or other desirable plants and do not permit spray mists containing it to drift onto them. (Coarse sprays are less likely to drift). Vapors from this product may injure susceptible plants in the immediate vicinity. Thoroughly clean spray equipment with a suitable chemical cleaner before using for other purposes (or do not use same spray equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Do not contaminate waters used for irrigation or domestic purposes. Do not re-use this container for

CAUTION: KEEP OUT OF REACH OF CHILDREN
HARMFUL OR FATAL IF SWALLOWED OR ABSORBED THROUGH SKIN!
CAUSES SKIN IRRITATION!

Call physician immediately. Do not breathe vapor or mist. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. In case of contact, wash skin with soap and water, for eyes, immediately flush with large amount of water for at least 15 minutes and get medical attention. Remove and wash contaminated clothing before re-use.

This product is poisonous to fish. Keep out of lakes, ponds and streams. Do not apply in any manner not specified on the label.
