Reg # 9804-3 PM-32

197

JUN 18 1985

Rio-Cide Chemical Company, Incorporated
Box 2700
Norman, OK 73070

Gentlemen:

Subject: Odorid
EPA Registration Number 9804-3
Submission of June 4, 1985

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, and a stamped copy is enclosed for your records.

We have changed our records to reflect the change in the product name from Invade to Odorid.

We are returning label for "Marnaduke Spray Deodorizer" without action. If this is a distributors label or an additional brand name label, we do not review or stamp these labels. It is understood that the label should be identical to the primary label except for the product name.

Sincerely,

Vera L. Castillo
Product Manager #32
Disinfectants Branch
Registration Division (TS-767c)

IT WORKS!

INHIBITS
MOST
BACTERIA
AND ODORS

It is a violation of federal law to use this product
in a manner inconsistent with its labeling.

DIRECTIONS

Spray or mist air by spraying
with nozzle pointed up and
squeeze trigger several times
to thoroughly mist air. Hi-
pressure nozzle is adjustable.
Turn nozzle to right for fine
mist . . . to left for heavy mist
or long range spray.

Protect Animals Nose And Eye prior to spraying
Spray animals by misting on pet and rubbing into fur.

Animal Baths - Add 6 oz. ODORID per gallon of bath water.

Spray litter boxes until top of litter is damp. Also
spray room.

To treat floors, carpets, bedding, furniture - Add 24 oz.
ODORID to each gallon of water or rug shampoo mix. Add
24 oz. ODORID to each gallon of rinse water.

Add 4 oz. of vinegar to 24 oz. ODORID, let stand 5
minutes, then add to one gallon of water to neutralize
high ammonia level odors.

All food contact surfaces must be rinsed with potable
water before use.

Storage and Disposal: Store in cool, dark area in original
container. Avoid storage in direct sunlight. Do not
contaminate water, food or feed by storage or disposal.
Wastes resulting from the use of this product may be disposed
of on site or at an approved waste disposal facility.

NON-FLAMMABLE

**CAUTION
KEEP OUT OF REACH OF CHILDREN**

ODORID may bleach some carpets and fabrics, especially
if applied on top of a previously used chemical agent.
Do not apply until a sample test has been tried and observed
for at least 24 hours. The manufacturer accepts no
liability for carpet or fabric bleaching. (continued)
