

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (H7510C)
1200 Pennsylvania Avenue, NW
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

9804-10

AUG - 1 2002

Term of Issuance:

Conditional

Name of Pesticide Product:

Perlox

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Bio-Cide International, Inc.
2845 Broce Drive
Norman, OK 73072

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. "9804-10."
 - b. Correct typographical error in the last sentence under the directions for use for "Close/Laundry Hampers and Bags/Drawers."

Signature of Approving Official:

Robert S. Brennis, Product Manager 32

Date:

AUG - 1 2002

**Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. 9804-10**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

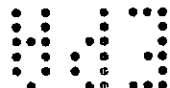

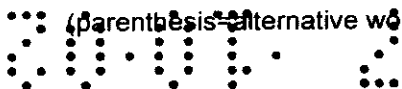

Do not cut or tear open individual (sachet) (deodorizer pouch) (shoe deodorizer pouch) contained within the foil pouch.

- New
- Perlox eliminates odors, inhibits the growth of mold and mildew and kills odor-causing bacterial and fungi where moisture is present.
- Perlox may be used in refrigerators, basements, trash cans and bags, shoes, closets, laundry hampers and bags, drawers, gym lockers, athletic bags, boat cabins and cars.
- Re-usable for an entire month.
- Perlox eliminates shoe odor.
- Kills odor-causing bacteria and fungi in shoes where moisture is present.
- Convenient No-Mess Pouches.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry, well-ventilated area inaccessible to children. Do not store at elevated temperatures. Do not reuse empty foil pouch. Discard empty foil pouch and used (deodorizing pouch)(sachet) in trash.

(parenthesis alternative words)

Handwritten initials or signature.

USE INSTRUCTIONS

Refrigerators:

Tear open the foil pouch immediately prior to use and remove the (5)(10)(20) gram (sachet) (deodorizing pouch). Hang or place the (sachet) (deodorizing pouch) anywhere within the refrigerator. Each sachet will treat up to 2 months.

Shoes:

Tear open the foil pouch immediately prior to use and remove the (5 gram sachet) (shoe deodorizer pouch). Place the (sachet) (shoe deodorizer pouch) inside shoes each night after wearing or when shoes are not in use. Remove the (sachet) (shoe deodorizer pouch) before wearing shoes. Each reusable (sachet) (shoe deodorizer pouch) may be used in multiple pairs of shoes for up to one month.

Closet/Laundry Hampers and Bags/Drawers:

Tear open the foil pouch immediately prior to use and remove the (5)(20)(50)(100) (200) gram (sachet) (deodorizer pouch). Hang or place the (sachet) (deodorizing pouch) in areas where odors are most intense. Each (sachet) (deodorizing pouch) will treat up to a (2)(10)(25)(50)(100) ft³ (cubic feet) of close/laundry hamper and bag/drawer space for up to 2 months.

Basements:

Tear open the foil pouch immediately prior to use and remove the 200 gram (sachet) (deodorizing pouch). Hang the (sachet) (deodorizing pouch) in areas where odors are most intense. Each (sachet) (deodorizing pouch) will treat up to 500 ft³ (cubic feet) of basement space for up to 2 months.

Gym Lockers:

Tear open the foil pouch immediately prior to use and remove the (5) (20) gram sachet (deodorizing pouch). Hang or place the (sachet) (deodorizing pouch) anywhere within the locker. Each (sachet) (deodorizing pouch) will treat up to 10 ft³ (cubic feet) of locker space for up to 2 months.

Automobiles:

Tear open the foil pouch immediately prior to use and remove the (10) (20) gram (sachet) (deodorizing pouch). Hang or place the (sachet) (deodorizing pouch) anywhere within the vehicle. Each (sachet) (deodorizing pouch) will treat up to a midsize/large size car for up to 2 months.

Boat Cabins:

Tear open the foil pouch immediately prior to use and remove the (50) (100) (200) gram (sachet) (deodorizing pouch). Place anywhere in the boat's cabin. Each (sachet) (deodorizing pouch) will treat to (100) (200) (400) ft³ (cubic feet) of cabin space for up to 2 months.

Athletic Bags:

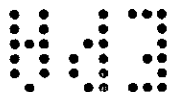

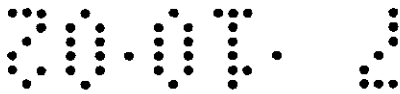

Tear open the foil pouch immediately prior to use and remove the 5 gram (sachet) (deodorizing pouch). Place the (sachet) (deodorizing pouch) anywhere within the bag. Each (sachet) (deodorizing pouch) will treat up to 2 ft³ (cubic feet) for up to 2 months.

Trash Cans:

Tear open the foil pouch immediately prior to use and remove the (5)(10)(20)(50) gram (sachet) (deodorizing pouch). Place the (sachet) (deodorizing pouch) anywhere in the can. Each (sachet) (deodorizing pouch) will treat up to 2 months.

Trash Bags:

Tear open the foil pouch immediately prior to use and remove the (5)(10)(20) gram (sachet) (deodorizing pouch). Place the (sachet) (deodorizing pouch) anywhere in the bag. Each (sachet) (deodorizing pouch) will treat up to 1 week.
